Unit 8: Cold War and Decolonization

Learning Objectives

Topic 8.1 Setting the Stage for the Cold War and Decolonization

A. Explain the historical context of the Cold War after 1945.

There was a difference between the ideologies of communism and nationalism. This formed conflicts because Nationalists wanted to end communism and convert them into the nationalist ideology.

Topic 8.2 The Cold War

B. Explain the causes and effects of the ideological struggle of the Cold War.

A cause of different ideologies was the start of the cold war. This cause affected the economy because nationalist countries were supporting other nationalist countries by sending money and supplies for support.

Topic 8.3 Effects of the Cold War

C. Compare the ways in which the United States and the Soviet Union sought to maintain influence over the course of the Cold War.

The United States sought to maintain influence by gaining allies in places like the middle east and Europe. The Soviet Union sought to maintain power through a strong government. These two ways of maintaining power were very different but gaining allies allowed for the United States to have power over the Soviet Union.

Topic 8.4 Spread of Communism After 1900

D. Explain the causes and consequences of China's adoption of communism.

The causes of China adoption of communism were brought by a combination of historical and economic factors. Some consequences of this choice was social and economic inequality.

E. Explain the causes and effects of movements to redistribute economic resources.

The causes of movements to redistribute economic resources can vary, but often include a desire to reduce income inequality and ensure a more equitable distribution of wealth. Some effects of these movements can include a shift in the tax burden from lower-income individuals to higher-income individuals.

Topic 8.5 Decolonization After 1900

F. Compare the processes by which various peoples pursued independence after 1900.

After 1900, various peoples pursued independence through nationalist movements, decolonization efforts, and political struggles, leading to a vast increase in independent nations and member states of the United Nations.

Topic 8.6 Newly Independent States

G. Explain how political changes in the period from c. 1900 to the present led to territorial, demographic, and nationalist developments.

Decolonization resulted in the emergence of new independent nations, reshaping territorial boundaries and demographics. The dissolution of empires, like the Ottoman and Austro-Hungarian Empires, led to the creation of new nation-states and the reconfiguration of existing ones.

H. Explain the economic changes and continuities resulting from the process of decolonization.

The economic changes and the continuities from decolonization are: It led to political instability in the countries that were under the colonial rule. It inhibited the growth in most of the economies.

Topic 8.7 Global Resistance to Established Power Structures After 1900

I. Explain various reactions to existing power structures in the period after 1900.
