**The Value Line Investment Survey**, 2009 *Value Line Convertibles*, 1994 **The Value Line Convertibles Survey**, 1995 *Airport Finance and Investment in the Global Economy* Anne Graham, Peter Morrell, 2016-10-04 While there are a multitude of publications on corporate finance and financial management only a few address the complexity of air transport industry finance and scant attention has been given to airport financial management This book deals exclusively with airport issues to rectify this It does this with an analysis of the theoretical concepts relevant to the subject area combined with a detailed investigation of current practice within the industry *Airport Finance and Investment in the Global Economy* bridges the gap between much academic research on airports published in recent years lacking much managerial relevance and real world airport financial management This is achieved by featuring expert analysis of contemporary issues specific to airport finance and funding strategies illustrated by worked examples from a wide range of different countries to enhance understanding and create a global perspective The book is designed to appeal to both practitioners and academics Airport specific topics include performance measurement and benchmarking valuation tools for financial control and management alternatives of financing privatisation competition and implications of economic regulation

**Handbook of Basel III Capital** Juan Ramirez, 2016-12-06 A deeper examination of Basel III for more effective capital enhancement The Handbook of Basel III Capital Enhancing Bank Capital in Practice delves deep into the principles underpinning the capital dimension of Basel III to provide a more advanced understanding of real world implementation Going beyond the simple overview or model this book merges theory with practice to help practitioners work more effectively within the regulatory framework and utilise the complex rules to more effectively allocate and enhance capital A European perspective covers the CRD IV directive and associated guidance but practitioners across all jurisdictions will find value in the strategic approach to decisions surrounding business lines and assets an emphasis on analysis urges banks to shed unattractive positions and channel capital toward opportunities that actually fit their risk and return profile Real world cases demonstrate successful capital initiatives as models for implementation and in depth guidance on Basel III rules equips practitioners to more effectively utilise this

complex regulatory treatment The specifics of Basel III implementation vary but the underlying principles are effective around the world This book expands upon existing guidance to provide a deeper working knowledge of Basel III utility and the insight to use it effectively Improve asset quality and risk and return profiles Adopt a strategic approach to capital allocation Compare Basel III implementation varies across jurisdictions Examine successful capital enhancement initiatives from around the world There is a popular misconception about Basel III being extremely conservative and a deterrent to investors seeking attractive returns In reality Basel III presents both the opportunity and a framework for banks to improve their assets and enhance overall capital the key factor is a true comprehensive understanding of the regulatory mechanisms The Handbook of Basel III Capital Enhancing Bank Capital in Practice provides advanced guidance for advanced practitioners and real world implementation insight
