Lies & Lies About Lying Conrad Riker, 101-01-01 Men Are Being Played But You Already Knew That You've been lied to. You've been blamed. You've been gaslit into silence. And every time you speak up, you're told you're toxic, paranoid, or misogynistic. But you're not crazy. You're not broken. You're not the problem. So why does every relationship feel like a trap? Why do women get away with manipulation while men are punished for speaking truth? When will the double standards end? This book isn't about blame. It's about power. Here's what you get: The hidden evolutionary strategy behind female deception and how it's weaponized daily. How feminism rebranded manipulation as empowerment and made men pay for it. Why white lies aren't harmless; they're the first move in a long con. The real reason men are silenced and how that silence is exploited. How social media turned every woman into a performance artist and you're the sucker in the audience. Why religion is mocked when it tells the truth about deceit but celebrated when it's twisted to excuse it. The psychological playbook women use from childhood and how men are kept in the dark. How to stop reacting and start seeing every lie before it lands. If you want to stop being manipulated, stop being blamed, and finally see the game for what it is, buy this book today.
