A Gift From The Journey Katherine Moore,2013-04-19 This book is from the musings in my personal reflective blog A Gift From The Journey In my musings it is my hope that the reader might find one aspect of my musings helpful in their lives In life we can feel that we are alone in our experiences It is my experience that there is always someone else that my have had a similar journey The sense of isolation is lifted when we know that we are not the only one on any given path In my musings I am often struck by how many similar themes that have happened in my life Others have also shared some of those experiences themes I am grateful for the many paths on my journey and I hope that you will enjoy accompanying me on my journey I have received many gifts in my life There have been many individuals who have touched my spirit and in that moment my life was changed In my life the bridge builders that I have known are responsible for much of my success Without them I would have been blind when a new path opened I have a personal belief that whether we have a positive moment in life or a negative moment in life that each moment becomes our teacher It is in the transcending of these moments that our greatest gift of wisdom becomes our blessing I hope that you enjoy this journey with me **All for Jesus, Or, The Easy Ways of Divine Love** Faber,1890 *Mores Catholici* Kenelm Henry Digby,1891 *Public Opinion* ,1922
