Brittany Fichter,2019-10-21 This was a magic I'd long forgotten existed Alexander Once upon a time she'd smiled a lot Even in her pain I could see hints of that girl I'd loved so much She was smart and adventurous and had the snarkiest sense of humor I'd ever met And based on the way she'd nearly grinned at me earlier I could only guess or hope rather that all of that was still inside As I left the base to head to the nearest pharmacy a plan began to hatch itself in my mind The family housing had prompted it but the more I thought about it the more I knew it was the only way It was perfect really I could nurse Carly back to health She'd even have insurance She'd be independent of her relatives care and I would spend the rest of our lives making up for my mistakes My heart began to hammer in my chest and with each passing second I could see it unfolding

perfectly in my head The only problem would be convincing Carly Saying she could be stubborn was like saying winter is chilly But I could be stubborn too Carly I don t know what I d expected from the kiss but it wasn t this This my brain ceased producing words Instead I felt Saw Tasted His hands were warm on my face and his lips were like fire on mine My eyes were closed but colors flashed behind my eyelids like fireworks In that kiss I saw glimpses of two kids who fell in love and all the dreams they d painted in those bright Carolina sunsets Familiar as the kiss was the boy beneath just wasn t the same Like magma pushing through the earth s crust a new man was there breaking through everything I knew Confidence I hadn t seen in him before radiated from his gentle hands as they kept me rooted to the spot Then he was gone I opened my eyes in confusion to see him pulling back as the crowd burst into cheers and whistles I present Mr and Mrs Alexander Calero the judge announced and the clapping grew even louder But I couldn t tear my gaze from him His eyes smoldered as they met mine and I knew that we both knew something inside had changed If only I knew what it was This was supposed to be a fake marriage after all a way to get me the medical care I needed until Grandpa came back So why did kissing him feel like waking up Why did it feel like coming home My Carolina Airman is the second in the My Air Force Fairy Tale series clean and wholesome standalone novels about life and love with military men Read it today to find love truth and the magic of happily ever after

My Little Rock Airman Brittany Fichter,2019-10-22 Jessie has one rule No dating airmen Unfortunately Derrick Allen doesn t seem to care But what does it matter Prince Charming had a horse not a cargo plane Jessie A strange silence settled over the car And though I scrolled through my inbox I found myself more and more unsettled by the man sitting beside me Which was stupid This was Derrick the guy who tormented me for half of our relationship and spent the other half playing pranks and begging me to help him avoid his boss So why did I feel like I was really meeting him for the first time And why did it suddenly feel like maybe maybe it was time to rethink the rules after all Derrick It had to be the uniform Women were weird about uniforms It was just something I wore every day It had function and utility Once I d accidentally terrified a group of kids in a gas station who I quickly realized were from another country But Jessie didn t look terrified She looked curious And though that would have concerned me two months ago now I couldn t help but wonder if I liked it My Little Rock Airman is the first in the My Air Force Fairy Tale series clean and wholesome standalone novels about life and love with military men Read it today to find love truth laughter and the magic of happily ever after
