Getting Through The Tough Stuff Workbook:

Getting Through the Tough Stuff Workbook Charles R. Swindoll, 2005-02-01 Life is tough. It's that simple. If you don't agree, you haven't lived long enough because when we stop to think about the trials that life sends our way, it's always something. Despite our deep-seated and very natural desire for a trouble-free, happy, secure existence, Christians everywhere face family struggles, financial crises, debilitating diseases, and crushing disappointments. So what do you do when life gets so tough you think you can't endure another minute? If you're feeling sandwiched between aging parents who need your help and teenagers with demanding schedules, stretched beyond your limits at work trying to survive the next round of corporate downsizing, dazed and emotionally bruised after your spouse walked out on the marriage you thought would last for a lifetime? This *Getting Through the Tough Stuff Workbook* offers help and hope. Based on Chuck Swindoll's characteristic insight, humor, and powerful yet gentle teaching style, this workbook delivers a strong message of encouragement, hope, faith, and the freedom we have in Jesus Christ. This practical resource will help you to get through the tough times of life. Perfect for personal devotions, small group Bible studies, and church curriculum, this workbook offers special features including *Getting to the Root*, which explores biblical words and concepts, and *Taking Truth to Heart*, which guides you into personal reflection and application.

Many people are facing financial pressure and are up to their ears in debt. We are having to care for both our kids and our parents. The pace of life and the demands of life just keep getting more intense. And for many, these tough times bring life crises. Living on the Ragged Edge Workbook Charles R. Swindoll, 2005-04-06 In the never-ending quest for fulfillment, we sometimes convince ourselves that life would be better if we just had a different career, more education, a new spouse, a fresh start in another location. The solution to life's challenges, we think, is just around the corner, a few steps ahead, always just out of reach. *Living on the Ragged Edge Workbook* opens the pages of an ancient journal, the Old Testament book of Ecclesiastes. In this very personal, unbelievably honest book, King Solomon chronicles his search for satisfaction, experiencing everything the world offered. The wisest man who ever lived, he certainly had the intelligence and the vast resources to pursue whatever his heart desired, from personal riches to sexual pleasures. Solomon had it all. He did it all with abandon. And he came to the end of his days with the ultimate secret for the good life. Do you want to know the secret? Do you want to know how to find joy and peace in this world gone mad? In this bestseller, Charles Swindoll delivers his characteristic insights and wisdom in an exploration of the book of Ecclesiastes and brings home to you Solomon's powerful message for living at its best.
