Bowers,Alan R. Shoho,Bruce G. Barnett,2014-11-18 This book explores the use of data in schools for leadership and decision making It examines how leaders use data the most useful types of data the impact on instructional practice continuous improvement and the challenges faced in data driven decision making Autonorama Peter Norton,2021-10-21 In Autonorama The Illusory Promise of High Tech Driving historian Peter Norton argues that driverless cars cannot be the safe sustainable and inclusive mobility solutions that tech companies and automakers are promising us The salesmanship behind the driverless future is distracting us from better ways to get around that we can implement now Unlike autonomous vehicles these alternatives are inexpensive safe sustainable and inclusive Norton takes the reader on an engaging ride from the GM Futurama exhibit to smart highways and vehicles to show how we are once again being sold car dependency in the guise of mobility Autonorama is hopeful advocating for wise proven humane mobility that we can invest in now without waiting for technology that is forever just out of reach Using Data for Continuous Improvement in Educator Preparation Linda McKee,Sylvia Read,Debbie Rickey,2024-03-25 Using Data for Continuous Improvement in Educator Preparation provides case studies that illuminate and contextualize the ways in which educator preparation programs determine the data they need to improve collect data analyze data share data with stakeholders and close the loop by making focused improvements based on the data Educator preparation programs operate in a wide range of contexts that have different requirements e g state mandated measures different affordances and different needs This text focuses on not only the stories of how data is collected analyzed and used for improvement but also on how stakeholders are impacted by the continuous improvement process In the editors work with accreditation and educator preparation program evaluation they noticed a variety of approaches to collecting analyzing and using data for program improvement Often this intense work with data goes unnoticed and unappreciated because it is done in the service of accreditation that once completed does not reach an audience outside of the institution and the accreditation agency Using Data for Continuous Improvement in Educator Preparation solves this problem by shedding light on this important work This volume inaugurates the AAQEP Program Evaluation in Education Series Perfect for courses such as Methods of Program Evaluation Teacher Education Improvement Science *The Data Coach's Guide to Improving Learning for All Students* Nancy Love,2008-02-27 Use data as an effective tool for school change and improvement This resource helps data team facilitators move schools away from unproductive data practices and toward examining data for systematic and continuous

improvement in instruction and learning The book which includes a CD ROM with slides and reproducibles illustrates how the authors model has proven successful in Narrowing achievement gaps in all content areas and grade levels Achieving strong continuous gains in local and state assessments in mathematics science and reading Initiating powerful conversations about race ethnicity class educational status gender and language differences Developing a vision for a high performing data informed school culture **A Practical Guide to School Improvement** Nancy Protheroe,Elizabeth Shellard,Jennifer Turner,2003 Informing the Practice of Teaching Using Formative and Interim Assessment Robert W. Lissitz,2013-01-28 This book explores interim and formative assessments focusing on what information teachers schools or states can collect to monitor student progress It examines assessing the effects of teaching and learning throughout the curriculum The book is based on a MARCES conference funded by the Maryland State Department of Education *Using Data, Getting Results* Nancy Love,2002 Leverage Leadership Paul Bambrick-Santoyo,2012-06-06 Paul Bambrick Santoyo Managing Director of Uncommon Schools shows leaders how they can raise their schools to greatness by following a core set of principles These seven principles or levers allow for consistent transformational and replicable growth With intentional focus on these areas leaders will leverage much more learning from the same amount of time investment Fundamentally each of these seven levers answers the core questions of school leadership What should an effective leader do and how and when should they do it Aimed at all levels of school leadership the book is for any principal superintendent or educator who wants to be a transformational leader The book includes 30 video clips of top tier leaders in action These videos bring great schools to you and support a deeper understanding of both the components of success and how it looks as a whole There are also many helpful rubrics extensive professional development tools calendars and templates Explores the core principles of effective leadership Author s charter school North Star Academy in Newark New Jersey received the highest possible award given by the U S Department of Education the National Blue Ribbon Print version includes an instructive DVD with 30 video clips to show how it looks in real life E book customers please note that details on how to access the content from the DVD may be found in the e book Table of Contents Please see the section How to Access DVD Contents Bambrick Santoyo has trained more than 1 800 school leaders nationwide in his work at Uncommon Schools and is a recognized expert on transforming schools to achieve extraordinary results **The Principal as Educator and Leader** Kathleen McLane,2007 This collection draws from the best of the ERS Spectrum principalship literature over the past five years to provide K 12 principals with a guide to reflective practice The resource provided here is distinctive in the way it addresses the dual roles of the principal as instructional and managerial leader in a format that is designed both for individual reflection and growth and for discussion in peer groups and mentoring support Each article is followed by a series of questions designed for reflection and discussion to assist principals whether new or experienced in examining their progress and goals in the evolving responsibility of leadership **Principal Leadership** ,2006 **Leverage Leadership 2.0** Paul Bambrick-Santoyo,2018-07-09 Cut through
