Visual Writing Alex Baratta,2010-07-12 Considering the fact that the academic essay continues to be widely used as an assessment tool within education there is a need for students to develop their skills in this area However it is often the case that students perceive instruction in academic writing if it is offered at all as boring This book addresses these two issues First the book can be used by students themselves even in the absence of academic writing classes as a self help guide from which they can develop their knowledge of academic writing and subsequent proficiency Second by discussing the components of academic writing in terms such as film which are familiar to today s generation students are enabled to relate to the material better and see what might have been perceived as dull from a brand new perspective Visual learners in particular will enjoy the analogous link between films and essays and students today are arguably more visually literate than previous generations being exposed to visuals on a daily basis through text message iconography computer games and the Internet The visual instruction provided in turn helps to facilitate mental visuals in students minds from which their knowledge of essay writing can start to develop

Remember Me Derek Hansen,2010-02-01 From the bestselling author of SOLE SURVIVOR comes a story of loss of innocence and unexpected repercussions of war It began innocently It destroyed innocence forever When a twelve year old boy writes an essay and inadvertently uncovers a wartime secret he unleashes a chain of events which rips a close community apart turning neighbour against neighbour friend against friend It is Auckland 1956 While the country has been spared the destruction which ravaged Europe and Asia beneath the surface bitter memories and old enmities run deep the war may be over but as the boy discovers it is far from done with In a poignant and gripping tale of events which challenge and define a post war community master storyteller Derek Hansen superbly captures the spirit of inner city life in the mid fifties when migrants and war survivors came to a land of peace and the promise of a new life only to have it challenged in unexpected and life changing ways Derek Hansen has an uncanny knack for bringing back the substance and subtleties of the times and places about which he writes In this instance having been raised in Auckland in the 1950s his eye is unerring Ripping yarn builds to an enthralling climax

THE PRESS *Tip* Zoompad,2008-02-13 This satirical first novel by Zoompad looks at growing up in the Sixties and Seventies highlighting the ludicrous injustices of the Pin down system A young girl is sexually abused taken into care and then farcically re abuse d by the very system that was supposed to be looking after her Zoompad takes the reader on a refreshingly honest and often very funny journey through small town England from the 1960 s first from the eyes of a child then as a horse mad teenager It is a journey that encompasses the very meaning of life morality and justice love and respect Why are we here and what s the point It s a book about anger yet bears no trace of residual bitterness a book that kicks against taboos in a quest for openness and understanding The subject matter is distressing yet this book will leave the reader feeling strangely uplifted and eager to blow the dust off that collection of the sixties and seventies music
