Faculty Perspectives on Vocational Training in South Africa Eunice Ivala, Chaunda Scott, 2019-03-06 The Cape Peninsula University of Technology CPUT is one of four Universities of Technology established by the South African government in 2005 with a focus on vocational training This book presents faculty experiences of CPUT's innovative work integrated learning and teaching model as well as findings from practice based research being done in the institution The purpose of this volume is to be a resource for other institutions in South Africa that wish to try similar strategies as well as to trigger a community of practice with vocationally oriented institutions outside of South Africa

Blended learning environments to foster self-directed learning Christo van der Westhuizen, Mncedisi C. Maphalala, Roxanne Bailey, 2023-03-31 This book on blended learning environments to foster self directed learning highlights the focus on research conducted in several teaching and learning contexts where blended learning had been implemented and focused on the fostering of self directed learning Several authors have contributed to the book and each chapter provides a unique perspective on blended learning and self directed learning research From each chapter it becomes evident that coherence on the topics mentioned is established One of the main aspects drawn in this book and addressed by several authors in the book is the use of the Community of Inquiry CoI framework when implementing teaching and learning strategies in blended learning environments to foster self directed learning This notion of focusing on the CoI framework is particularly evident in both theoretical and empirical dissemination presented in this book What makes this book unique is the fact that researchers and peers in varied fields would benefit from the findings presented by each chapter albeit theoretical methodological or empirical in nature this in turn provides opportunities for future research endeavours to further the narrative of how blended learning environments can be used to foster self directed learning

Where Am I in the Picture? Claudia Mitchell, Katarina Giritli-Nygren, Relebohile Molestane, 2023-12-18 Positionality and researcher reflexivity how to account for one's subject position remain as challenges for new researchers But they also remain as challenges for experienced researchers who are often involved in multiple research projects simultaneously Where Am I in the Picture sheds light on the idea of researcher positionality through visual methodologies particularly in the context of studying rurality in Canada Sweden and South Africa The book is intended for new and experienced researchers seeking to decolonize their own perspectives in research in the social sciences and humanities It incorporates photographs drawings and memory work to highlight the social constructedness of what counts as rural Drawing together compelling narratives from researchers about their positionality in studying rurality the book highlights a need for greater attention to where we are in the picture more broadly It suggests that when it comes to the rural researchers need to rethink the interplay of dominant images insider and outsider perspectives and what this interplay means in relation to interpretation Where Am I in the Picture presents a new vision of how to take into consideration positionality in research
