Writing about Reading Janet Angelillo,2003 Janet Angelillo introduces us to an entirely new way of thinking about writing about reading She shows us how to teach students to manage all the thinking and questioning that precedes their putting pen to paper More than that she offers us smarter ways to have students write about their reading that can last them a lifetime She demonstrates how students responses to reading can start in a notebook in conversation or in a read aloud lead to thinking guided by literary criticism reflect deeper text analysis and honest writing processes result in a variety of popular genres book reviews author profiles commentaries editorials and the literary essay She even includes tools for teaching day by day units of study teaching points a sample minilesson and lots of student examples plus chapters on yearlong planning and assessment Ensure that your students will be readers and writers long after they leave you Get them enthused and empowered to use whatever

they read facts statistics the latest book as fuel for writing in school and in their working lives Read Angelillo **Using Stories as the Landscape of Writing** Christine McDowell,2015 In this dissertation I investigate the way in which mentor texts are defined and implemented by four elementary classroom teachers within one school district and how this mode of instruction allows for an increase in teacher autonomy while still addressing Common Core State Standards This project focuses on each participant as they share a common goal in writing instruction while maintaining their teaching identity and curricular freedom One goal of this study is to provide the educational theory that supports mentor text instruction that is missing from the movement Many teaching guides exist that explain the concept of mentor texts but they do not explore the foundations behind the teaching practice This study seeks to create this missing foundation to ensure that this practice becomes a permanent part of writing instruction rather than a passing trend The second goal is to provide insight as to how teachers put this theory into practice The same teaching guides are filled with detailed lesson plans and annotated bibliographies but they do not examine how to make this practice a permanent part of writing instruction Instead they read as disjointed singular lesson ideas This study also seeks to break down the implementation process so that it is accessible to all teachers Although the concept of mentor texts is growing in the field of English Education little has been said about the implementation of the practice into mainstream writing instruction What are the critical features of a quality mentor text Do they support Common Core State Standards How do the criteria of mentor texts differ among lessons or among teachers How do students respond to mentor texts as a model of writing This study examines how teachers are implementing mentor texts into a permanent part of their writing curriculum how they discern which mentor texts to include and how they facilitate the instruction with their students How's it Going? Carl Anderson,2000 How s It Going is a practical book Written in a conversational style it s filled with lots of useful advice Using the Writer's Notebook in Grades 3-8 Janet L. Elliott,2008 Janet Elliott provides practical ideas assignments and examples of student writing This book offers a vision of what is possible for young writers both in writing across the curriculum and in writing workshop Janet Elliott performs magic in the classroom by encouraging children to write In this highly readable guide Elliott provides everything you need to re create that magic in your classroom including tips and ideas for getting started with writer s notebooks and using them effectively all year long Filled with practical ideas assignments and examples of student writing this book offers a vision of what is possible for young writers both in writing across the curriculum and in writing workshop You ll also find handy management tips that help you meet the challenges that often arise Starting with a rationale for using writer s notebooks topics include getting started using the notebook to record observations and using children s literature as a springboard for writing entries Elliott shows you how to help students develop their entries through the writing process and use the notebook as a planning tool Also included are a focused unit of study for the writer s notebook and a special chapter about engaging boys in notebook writing You ll return to this valuable resource again and again whether you ve used writer s notebooks for years or

are just starting out Using Mentor Texts to Teach 6 + 1 Writing Traits Beverly A.
