

Slave Training Guide & Understanding the BDSM Lifestyle:

IF you have the desire to learn more about the Master/slave lifestyle OR you are have desires to serve a Master OR you want to learn more about owning a consensual slave THEN you are at the right place.

The terms *safe, sane and consensual* are the cornerstones of safely practicing this lifestyle. It has been long understood by those engaging in BDSM that it must be *sane, safe and consensual*. These words are taken seriously by millions of people that engage in the lifestyle around the world. Anything else is criminal. To learn more about [safety look at this website](#) and others

Folks, B.E.S.T. slave training website is intended to be a relationship based on trust between consenting adult. Anything else is abuse and not what this website is about. In fact, it is not what the BDSM lifestyle is about. Safe BDSM practices are strongly encouraged.

Torture to obtain submission or holding someone against their will, has no place in the lifestyle and is also a violation of law. Modern day consensual Master/slave relationships are about a submissive agreeing to be trained to serve her Master. All through this site you will hear consensual discussed many times.

In all cases on this website the words "slave training" mean *consensual* slave training in adherence to generally accepted bdsm lifestyle practices.

If there is no consent or mutual agreement, before you start, then there is abuse. I recommend having the slave read every page of this or whatever training plan you use so she fully understands and agrees to your training style and methods. Of all things, in slave training, communication is the most important.

Do you want to train a slave to serve, obey and please you? Then I believe you have come to the right place to learn **slave training**. In addition to guiding her in her desires, you learn the *BDSM* lifestyle, hypnosis, bondage and many other skills needed. I would also recommend that you not limit your learning about consensual BDSM to this site. In fact, there are 1000's of sites devoted to *BDSM* and I'd suggest both of you spend time exploring. There are no two households alike, in any dynamic, it takes time to develop your style. Just always keep it *safe, sane and by all means consensual*.
