Exponential Apocalypse:

The End of Everything Forever Eirik Gumeny, 2020-02-22 Fallen gods Cloned queens Psychokinetic squirrels Atomic werewolves Hippie zombies Jell O monsters Butter monsters Booger monsters An army of philosophers bent on world domination A cybernetically enhanced donut maker The horned up ghosts of elderly lady serial killers The frozen head of Walt Sidney Earthquakes Fire tornados A global volcanic winter A supermassive extradimensional black hole Dr Vanilla Ice II And that s literally not even the half of it Five books Seventeen stories More f bombs than Microsoft Word can count Ten years of EXPONENTIAL APOCALYPSE are collected into a single volume an omnibus that like a stoner s rug ties everything together from the first doomsday to the very last THE END OF EVERYTHING FOREVER is a fifty year epic of extinction events the genre spanning saga of a planet in perpetual peril a world that can t seem to stop itself from ending and all the nihilists and nutcases the anti heroes and con artists and mad scientists and slackers that keep trying to save it Even if it is only because there s nothing on TV that day With a foreword by Danger Slater If The Avengers was written by Terry Pratchett and directed by Kevin Smith you might end up in the same dimension as the Exponential Apocalypse series Kat Clay Radiant Attack

Exponential Apocalypse Eirik Gumeny, 2014-01-01 There had been twenty two apocalypses to date There were now four distinct variations of humanity roaming the earth six if you counted the undead It had been suggested that there really should have been a new word to describe the end of everything forever but most people had stopped noticing much less caring after the tally hit double digits Not to mention the failure of forever in living up to its potential The last apocalypse wasn t even considered a cataclysm by most major governments It was just a Thursday EXPONENTIAL APOCALYPSE is the tender heart stirring tale of crappy jobs a slacker cult an alcoholic Aztec god reconstituted world leaders werewolves robots and the shenanigans of multiple persons living after the twentieth aught end of the world Fast paced frenetic funny and frequently fond of other f words EXPONENTIAL APOCALYPSE is the only book that will have you looking forward to the end of the world

Exponential Apocalypse: Dead Presidents Eirik Gumeny, 2012-07 Thor former Norse God of Thunder has returned to his day job at the Secaucus Holiday Inn surlier than ever His Google alert for Ragnarok is bringing in fewer and fewer results and he s beginning to think that the Twilight of the Gods might never come to free him from the hellish nightmare that is minimum wage customer service But then Timmy a telekinetic telepathic super squirrel comes skittering back into Thor s life bruised and slightly smoking after having his tail handed to him by a two hundred year old mad scientist in a robotic exoskeleton The rodent needs help and despite his best intentions that help is going to have to be Thor and his friends Chester A Arthur XVII and Queen Victoria XXX DEAD PRESIDENTS the second book in the EXPONENTIAL APOCALYPSE series continues where the first one left off following Thor and company through a world rife with megalomaniacal clones dinosaur armies zombies mad scientists rhinos with lasers and all manner of action and misadventure Uproarious and unrestrained DEAD PRESIDENTS puts the doody in doomsday and the ha in worldwide

annihilation **Revenge-aroni** Eirik Gumeny,2016-04-01 Six months ago Thor the former Norse God of Thunder along with the motley crew of political clones and cyborgs and psychic squirrels he calls his friends saved the world And in a wholly unprecedented move this time the world stayed saved The frozen head of Walt Sidney is not happy about that Like at all The bodiless businessman has pit his two top men against each other and sent them after the group in a contest to see who can out murder who Because vengeance is a dish best served lukewarm and out of a can heated over the smoldering remains of your enemies Also vengeance should be eaten with an officially licensed Lindsey Louse Spearin Spork for maximum vengeance ing The fourth book in the EXPONENTIAL APOCALYPSE series REVENGE ARONI is smart vulgar and quite simply and with absolutely zero hyperbole the single best post apocalyptic book about borderline inept mercenary heroes you will ever read Filled with gallows humor and inventive swearing and run on sentences as well as sex drugs violence and blatant attacks on artisanal coffee REVENGE ARONI will surely be looked back on as the piece of literature that saved humanity from both itself and the inevitable uprising of homicidal crab people Dead Presidents Eirik Gumeny,2014-01-01 Thor former Norse God of Thunder has returned to his day job at the Secaucus Holiday Inn surlier than ever His Google alert for Ragnarok is bringing in fewer and fewer results and he s beginning to think that the Twilight of the Gods might never come to free him from the hellish nightmare that is minimum wage customer service But then Timmy a telekinetic telepathic super squirrel comes skittering back into Thor s life bruised and slightly smoking after having his tail handed to him by a two hundred year old mad scientist in a robotic exoskeleton The rodent needs help and despite his best intentions that help is going to have to be Thor and his friends Chester A Arthur XVII and Queen Victoria XXX DEAD PRESIDENTS the second book in the EXPONENTIAL APOCALYPSE series continues where the first one left off following Thor and company through a world rife with megalomaniacal clones dinosaur armies zombies mad scientists rhinos with lasers and all manner of action and misadventure Uproarious and unrestrained DEAD PRESIDENTS puts the doody in doomsday and the ha in worldwide annihilation **Black Hole, Son!** Eirik Gumeny,2018-03-04 From living god Eirik Gumeny CRACKED THE NEW YORK TIMES comes BLACK HOLE SON The fifth and final book in the EXPONENTIAL APOCALYPSE series Following the events of REVENGE ARONI Thor Odinson and Queen Victoria XXX find themselves world famous and living high on the hog assuming that hog is depressed a little agoraphobic and literally high But then Explosions Punching Some other stuff Hijinks and hilariousness and terrible awryness ensue A note to new readers This is not for you This is not the place to start fresh You re gonna want to click on one of the links below for that Book One Two or Three should work just fine This here is a coda to the last ten years of EXPONENTIAL APOCALYPSE A swan song a last waltz a tearful goodbye BLACK HOLE SON is for the folks who want to see how it all ends Not well obviously P S BLACK HOLE SON is also the shortest book in the series More of a novella really A little shy of 25K words So you know be ready for that **Social Research** ,1976 Includes section Book reviews and notes Black Hole, Son! Eirik Gumeny,2018-02-23 The fifth and final book in the Exponential Apocalypse

series **High Voltage** Eirik Gumeny,2014-02-25 The world has ended twenty six and a half times to date but that s not about to stop it from trying again The sun after a particularly debauchorous evening has stumbled across the horizon and flipped a giant geomagnetic middle finger at the Earth detonating nearly every transformer and power line on the planet and crippling the single electrical grid that powers North America The world has been plunged back into the Boring Ages overnight Although this means very little to anyone as no one is able to Google when the Boring Ages were or how society got out of them the first time With darkness looming the economy crashing and nobody s DVRs working everything seems lost humanity is one more unmicrowaved Hot Pocket away from eating itself alive So now it s up to Thor the former Norse God of Thunder and the ragtag group of mercenary heroes he calls friends to set things right and hotwire the North American continent HIGH VOLTAGE the third novel in the EXPONENTIAL APOCALYPSE series is the perfect jumping on point for new readers All of the fast paced humor and snark of the first two critically acclaimed best selling books and none of the having to read them first Witty and wired HIGH VOLTAGE is the post apocalyptic dark comedy for anyone who wishes The Hitchhiker s Guide to the Galaxy had more dick jokes or Clerks had more homicidal old lady ghosts And you know was a book

Whispering the Secrets of Language: An Emotional Journey through **Exponential Apocalypse**

In a digitally-driven earth wherever monitors reign supreme and quick conversation drowns out the subtleties of language, the profound techniques and emotional subtleties hidden within words usually move unheard. However, situated within the pages of **Exponential Apocalypse** a captivating fictional value sporting with raw emotions, lies an extraordinary quest waiting to be undertaken. Written by a skilled wordsmith, this charming opus attracts viewers on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within the fabric of every word. Within the psychological depths of this moving review, we will embark upon a genuine exploration of the book's key subjects, dissect their captivating publishing design, and yield to the effective resonance it evokes deep within the recesses of readers' hearts.
