Folk Lore Legends German:

FOLKLORE AND LEGENDS OF GERMANY - 30 German folk and fairy tales Anon E. Mouse, 2018-09-26 A great read for children and great for reading around a fire on a cold winter night Herein you will find 30 old legends and from Germany Some will be familiar but most less so and may even seem to be a new find for you the reader Even if you haven't read some of these stories you can rest assured that all will entertain You can also be sure the general lesson these stories convey is the sure punishment of vice and the reward of virtue some way or another the villain always meets with his just deserts just as Fairy Tales are meant to be Herein you will find stories like The Legend of Paracelsus Hans in Luck Peter Klaus The Legend of Rheineck The Fisherman and his Wife Fastrada The Alraun The Goose Girl The Monks at the Ferry The White Maiden St Andrew's Night plus many many more So after you have downloaded this unique volume find a comfy chair sit back with your reader and a steaming hot beverage and be prepared to be entertained for hours TAGS folklore fairy tales folklore myths legends children's stories children's stories bygone era fairydom fairy land classic stories children's bedtime stories fables cultural setting German gaffer death legend of paracelsus hans in luck grey mare garret water spirit peter klaus legend of rheineck cellar old knights kyffhauser fisherman and his wife mouse tower dancers little shroud arch rogue brother merry fastrada jew bush elves conclave corpses legend of rubezahl number nip hunter hackelnberg tut osel alraun goose girl hans jagenteufel waits of bremen flaming castle monks at the ferry doctor all wise white maiden sturgeon St andrew night

American Folk Legend Wayland Debs Hand, 1979-01-01 *The German Legends of the Brothers Grimm* Jacob Grimm, Wilhelm Grimm, 1981 *Finding List of Fairy Tales and Folk Stories in Books at the Branches of the Public Library of the City of Boston* Boston Public Library, 1908 *Folk-lore and Legends: German* Anonymous, The peasant's tale the story preserved through centuries on the lips of old wives the narrative which has come down to us having done duty as a source of amusement in the fireside groups of preceding generations may seem to some to afford slight matter for reflection and may even appear so grotesque in its incidents as to be fitted only to excite a smile of wonder at the simplicity of those among whom such stories could obtain reception and surprise at the fantastic imagination in which such tales could find their origin Modern thought has however been busy asking itself what is the meaning of these stories and it has done much to supply itself with an answer This at least it has done it has discovered that these legends and tales which so many have been inclined to cast aside as worthless are of a singular value as throwing a light which little else can afford upon the mind of primitive man At first the collection of national stories was undertaken merely for the purpose of affording amusement Folk tales were diverting so they found their way into print and were issued as curious literary matter fitted to supply diversion for a vacant hour Many of the tales are very beautiful and their mere literary merit sufficed to make them sought for But legendary lore was soon observed to possess much more value than could attach to its merely amusing features It was obvious that in these legends were preserved the fragments of the beliefs of the ancient folk The mythology of one period

remarked Sir Walter Scott would appear to pass into the romance of the next century and that into the nursery tale of the subsequent ages Fiction said Sir John Malcolm resolves itself into its primitive elements as by the slow and unceasing action of the wind and rain the solid granite is crumbled into sand The creations embodied by the vivid imagination of man in the childhood of his race incorporate themselves in his fond and mistaken faith Sanctity is given to his daydreams by the altar of the idol Then perhaps they acquire a deceitful truth from the genius of the bard Blended with the mortal hero the aspect of the god glances through the visor of the helmet or adds a holy dignity to the royal crown Poetry borrows its ornaments from the lessons of the priests The ancient god of strength of the Teutons throned in his chariot of the stars the Northern Wain invested the Emperor of the Franks and the paladins who surrounded him with superhuman might And the same constellation darting down its rays upon the head of the long lost Arthur has given to the monarch of the Britons the veneration which once belonged to the son of Uthry Bendragon Thunder the supreme leader and Eygyr the generating power

German Folk-Lore and Legends Anonymous,2014-09-25 This is an anonymous collection of German folk stories mythology and fairy tales compiled by an unknown individual From the preface It is proposed that this shall be the first of a series of little volumes in which shall be presented in a handy form selections from the Folk lore and legends of various countries It has been well said that the legendary history of a nation is the recital of the elements that formed the character of that nation it contains the first rude attempts to explain natural phenomena the traditions of its early history and the moral principles popularly adopted as the rules for reward and punishment and generally the legends of a people may be regarded as embodying the popular habits of thought and popular motives of action The following legends of Germany cannot we think fail to interest those who read them Some of the stories are invested with a charming simplicity of thought which cannot but excite admiration Others are of a weird fantastic character fitted to a land of romantic natural features of broad river mountain and deep forest The humorous the pathetic the terrible all find place in the German folk tales and it would be difficult to rise from their perusal without having received both amusement and instruction The general lesson they convey is the sure punishment of vice and the reward of virtue some way or another the villain always meets with his desert In future volumes we shall deal with the legends of other countries hoping that the public will bear us company in our excursions **A**
