The General Retires and Other Stories Huy Thiệp Nguyễn, 1992 When it first appeared in 1987 the title story of this collection of stories by Nguyen Huy Thiep caused a sensation in Vietnam Not since the Communist revolution had readers found as stark and compelling a view of their world as The General Retires offered them Written in spare succinct prose it captures the despair of an old general who after many years of devoted service to his country is alienated by the emptiness of the society into which he retires and ultimately flees Nguyen probes similar themes in the stories that follow from Cun the moving tale of a crippled beggar to A Drop of Blood a dark history of a family set against decades of war and revolution With eight powerfully written stories all available in English for the first time and including an introduction by Greg Lockhart that traces the varied traditions of Vietnamese literature to the present day this collection offers unprecedented insight into a society trying to overcome and understand years of pain and civil strife

Insatiable Wives David J. Ley, 2009-12-16 This enlightening work investigates the history incidence and causes of a unique sexual lifestyle pursued by increasing numbers of couples It is called by many names and lived in a variety of ways by different couples The most common terms used to describe it are hotwife or cuckold lifestyle This sexual practice a form of sexual nonmonogamy is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men

while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men The author includes interviews and comments from couples living the lifestyle throughout the U S and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships He explores the psychological social biological and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious
