Text Genetics in Literary Modernism and other Essays Hans Walter Gabler, 2018-02-20 This collection of essays from world renowned scholar Hans Walter Gabler contains writings from a decade and a half of retirement spent exploring textual criticism genetic criticism and literary criticism In these sixteen stimulating contributions he develops theories of textual criticism and editing that are inflected by our advance into the digital era structurally analyses arts of composition in literature and music and traces the cultural implications discernible in book design and in the canonisation of works of literature and their authors Distinctive and ambitious these essays move beyond the concerns of the community of critics and scholars Gabler responds innovatively to the issues involved and often endeavours to re think their urgencies by bringing together the orthodox tenets of different schools of textual criticism He moves between a variety of topics ranging from fresh genetic approaches to the work of James Joyce and Virginia Woolf to significant contributions to the theorisation of scholarly editing in the digital age Written in Gabler's fluent style these rich and elegant compositions are essential reading for literary and textual critics scholarly editors readers of James Joyce New Modernism specialists and all those interested in textual scholarship and digital editing under the umbrella of Digital Humanities

Staying Open: Charles Olson's Sources and Influences Joshua S. Hoeynck, 2019-05-03 *Staying Open: Charles Olson's Sources and Influences* investigates the interdisciplinary influences on the work of the mid Century American poet Charles Olson This edited collection of essays covers Olson's diverse non literary interests including his engagement with the music of John Cage and Pierre Boulez his interests in abstract expressionism and his readings of philosopher Alfred North Whitehead The essays also examine Olson's pedagogy which he developed in the experimental environment at Black Mountain College as well as his six month archeological journey through the Yucatan Peninsula in 1950 to explore the culture of the Maya This book will therefore be a strong research aid to scholars working in diverse fields music archeology pedagogy philosophy art and psychology as it outlines

methods for close inter disciplinary work that can uncover the mechanics of Olson s creative literary processes Building on the straightforward scholarship of George Butterick whose Guide to the Maximus Poems remains indispensable for readers of Olson s work the essays in this volume will also guide readers through the thick allusions within The Maximus Poems itself New interest in the wide ranging and non literary nature of Olson s thought in several recent academic works makes this book both timely and necessary Physics Envy American Poetry and Science in the Cold War and After by Peter Middleton as well as Contemporary Olson edited by David Herd have started the process of uncovering the extent to which Olson s inter disciplinary interests inflected his poetic compositions Staying Open extends the preliminary investigations of Olson s non literary sources in those volumes by bringing together a community of scholars working across disciplines and within a wide variety of humanistic concerns

Handbook of Writing and Text Production Eva-Maria Jakobs, Daniel Perrin, 2014-02-27 Writing matters and so does research into real life writing The shift from an industrial to an information society has increased the importance of writing and text production in education in everyday life and in more and more professions in the fields of economics and politics science and technology culture and media Through writing we build up organizations and social networks develop projects inform colleagues and customers and generate the basis for decisions The quality of writing is decisive for social resonance and professional success This ubiquitous real life writing is what the present handbook is about The de Gruyter Handbook of Writing and Text Production brings together and systematizes state of the art research The volume contains five sections focussing on I the theory and methodology of writing and text production research as well as on problem oriented and problem solving approaches related to II authors III modes and media IV genres and V domains of writing and text production Throughout the 21 chapters exemplary research projects illustrate the theoretical perspectives from globally relevant research spaces and traditions Both established and future scholars can benefit from the handbook s fresh approach to writing in the context of multimodal multi semiotic text production

Tom Murphy's Theatre of Everyday Space Moonyoung Hong, 2025-05-08 By the time of his death in 2018 Tom Murphy was widely recognised as one of Ireland s most important modern playwrights Ireland s experience of rapid modernisation emigration and globalisation is vividly captured in his plays challenging generic notions of space place and the nation In particular his drama reconfigures Irish theatre s uneasy relationship with globalisation with the peasant kitchen the pub and the bog having traditionally been exported as the quintessential Irish spaces Focusing on one of Murphy s central innovations his experimentation with theatre and everyday space the book considers the significance of Murphy s work in modern drama more broadly The idea of home has preoccupied modern playwrights since the naturalist dramas of Henrik Ibsen and Anton Chekhov leading theatre scholars to focus on the everyday space of the home to the exclusion of other everyday spaces Murphy s works by contrast offer a new politics of the interior engaging with a diverse range of other spaces such as dancehalls grocery shops pubs hotels offices churches gasworks and airports His drama presents a global sense of the local an emotional map of the shifting

geographies of everyday life By applying new theoretical perspectives and showcasing new archival materials inaccessible to previous scholars the book revisits Murphy as an international playwright a cartographer of our modern day global village

Middle English Texts in Transition Simon Horobin, Linne R. Mooney, 2014 Chaucer Gower and Langland Lyrics and romances Devotional writings Owners and users of medieval books A tribute to Professor Takamiya [The Ecology of Finnegans Wake](#) Alison Lacivita, 2021-11-09 In this book one of the first ecocritical explorations of Irish literature Alison Lacivita defies the popular view of James Joyce as a thoroughly urban writer by bringing to light his consistent engagement with nature Using genetic criticism to investigate Joyce's source texts notebooks and proofs Lacivita shows how Joyce developed ecological themes in Finnegans Wake over successive drafts Making apparent a love of growing things and a lively connection with the natural world across his texts Lacivita's approach reveals Joyce's keen attention to the Irish landscape meteorology urban planning Dublin's ecology the exploitation of nature and fertility and reproduction Alison Lacivita unearths a vital quality of Joyce's work that has largely gone undetected decisively aligning ecocriticism with both modernism and Irish studies

Samuel Beckett in Confinement James Little, 2020-05-14 Confinement appears repeatedly in Samuel Beckett's oeuvre from the asylums central to Murphy and Watt to the images of confinement that shape plays such as Waiting for Godot and Endgame Drawing on spatial theory and new archival research Beckett in Confinement explores these recurring concepts of closed space to cast new light on the ethical and political dimensions of Beckett's work Covering the full range of Beckett's writing career including two plays he completed for prisoners Catastrophe and the unpublished Mongrel Mime the book shows how this engagement with the ethics of representing prisons and asylums stands at the heart of Beckett's poetics James Little's Beckett in Confinement offers a brilliant analysis of the politics behind Beckett's production of closed space both as a writer and as a director It carefully examines the move from writing about closed space to creating an art of confinement To argue that Beckett's use of confined space is central to the political dynamics of his works James Little also superbly employs genetic criticism to open up the confined space of the published text and bring highly relevant draft materials back into the critical conversation Dirk Van Hulle Professor of Bibliography and Modern Book History University of Oxford UK The many characters Beckett invented share one characteristic they are all imprisoned or trapped in some way no matter where they are Samuel Beckett in Confinement The Politics of Closed Space draws on untapped riches from Beckett's correspondence and the archives to reconsider the obsession with entrapment coercion and detention central to Beckett's varied oeuvre In this exciting and illuminating analysis James Little offers a fresh and original reading of the work's ethical and political dimensions and shows us why we need to stop thinking about confinement as a metaphysical metaphor Emilie Morin Professor of Modern Literature University of York UK Little breaks new ground in this expansive investigation to explore how confinement is a central component of Beckett's political aesthetics The reader is guided by a crisp and easy style of writing as Little demonstrates a command of sources which are broad in scope but
