Following the success of Janet Cyford's book *The Ring of Chairs*, a story of a Spirit-trained Medium which deals with the development of Mediumship and the formation of a home or church circle, she presents her new book *Conversations with a Medium*. This book is a compilation of newsletters written between 2000 and 2016, published articles, and feedback from her clients. Names are withheld, but initials are placed at the end of each Question, Quote, Reply, or Comment. To avoid confusion, her own initials, JC, follow her replies. Chapters inspired by Spirit include advice on personal development, grief, absent healing, crisis, and tragedies, and many other subjects. The format is arranged A to Z. Janet Cyford is a traditional British Spiritualist Medium trained in the Spiritualist Movement of Great Britain; she has worked as a Medium since her early twenties. Using a sane and sensible approach through Private Sessions, Mediumship Development Groups, and Seminars, she has provided countless people with evidence of the survival of the Soul and established a method for passing on the spiritual truths gleaned from a lifetime of experience. Talking to the Other Side Todd Jay Leonard, 2005. Since its birth in 1848, Spiritualism as a religion, science, and philosophy has experienced great highs and lows. At the center of this purely American-made modern religious movement are mediums—the people who are able to communicate in some way with spirit entities that are no longer on the earth plane. Based on three years of on-site investigation and a plethora of data and research collected on the modern Spiritualist movement in America, *Talking to the Other Side* focuses upon the ethno-religious aspects of the religion, mediumship, and the mediums themselves. The first four chapters offer an expansive review of the history of religion in America, mediumship, and the Spiritualist movement. Chapters 5–7 comprise the research and data that were compiled and analyzed based on fieldwork, analysis, a comprehensive questionnaire, personal interviews, and published literature on the topic of Spiritualism and mediumship. According to Spiritualist mediums, people don't die; bodies do. *Talking to the Other Side* offers a contemporary look into the lives and backgrounds of the mediums who bridge this world and the Spirit world, connecting those who have passed over with those they left behind. [Respectful LGBT Conversations](#) Harold Heie, 2018-05-14. In stark contrast to the shrill and nasty interactions among many Christians regarding contentious LGBT issues, this book models a redemptive mode of

engagement by featuring respectful conversations among deeply committed Christians who hold to diverging traditional and non traditional views The foundational values guiding these conversations are the quest for truth giving the gift of love to all brothers and sisters in Christ and modeling Christian unity Emerging from these conversations are practical steps for a way forward that include creating safe spaces for ongoing conversation and practicing courageous Christian leadership Based on case studies for a Christian university and two Christian churches this book provides helpful advice for navigating conflict within churches Christian denominations and Christian educational institutions
