Conversion And Discipleship You Cant Have One Without The Other:

Conversion and Discipleship Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this groundbreaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow

The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts Emotionally Healthy

Discipleship Peter Scazzero, 2021-03-30 The global church is facing a discipleship crisis Here's how we move forward into transformative discipleship Pastors and church leaders want to see lives changed by the gospel They work tirelessly to care for people initiate new ministries preach creatively and keep up with trends Sadly much of this effort does not result in deeply changed disciples Traditional discipleship strategies fail because they only address surface issues and do not go deep

enough into the emotional health of individuals But transformative emotionally healthy discipleship is a methods based biblical theology that when fully implemented informs every area of a church ministry or organization It is a discipleship structure built from the center that Slows down our lives so we can cultivate a deep personal relationship with Jesus Challenges the values of Western culture that have compromised the radical call to follow the crucified Jesus Integrates sadness loss and vulnerability that when left out leave people defensive and easily triggered Acknowledges God s gift of limits in our lives Connects how our family and personal history influence our discipleship in the present Measures our spiritual maturity by how we are growing in our ability to love others In Emotionally Healthy Discipleship bestselling author Pete Scazzero takes leaders step by step through how to create an emotionally healthy culture and multiply deeply changed people in every aspect of church life including Leadership and team development Marriage and single ministry Small groups and youth and children s ministry Preaching worship and administration Outreach Complete with assessments and practical strategies Emotionally Healthy Discipleship will help you move people to the beneath the surface discipleship that actually has the power to change the world Winner of the 2022 ECPA Christian Book Award for Ministry Resources **Letters to Young Scholars, Second Edition** William Carey Ringenberg,2018-04-05 Letters to Young Scholars is designed primarily for college students advanced high school students and church and parachurch study groups on spiritual development As a college text the book introduces beginning students to the general education or liberal arts portion of a Christian college education It gives major emphasis to the humanities and social science disciplines the integration of the Christian faith with those disciplines and the application of Christian thought to daily living applied Christianity It seeks to challenge the students to become broader in perspective and appreciation more compassionate toward all of God s creatures and more confident and committed as they develop their worldviews and personal values **Strive With Me** Kayla Staph,2020-09-01 I chose you I appointed you to go and produce lasting fruit Jesus spoke these words to His disciples on the eve of His death His disciples were with Him for three years while He trained them in order to send them into the world Jesus had every expectation they would continue the mission and bear fruit This would prove they were truly His disciples Therefore are we truly followers of Jesus if we opt out of fulfilling His mission Can we say our lives are committed to Jesus if we have little concern for His plan To answer these questions we must begin to examine what type of gospel we believe The gospel we believe will produce the disciple we become In addition we will reproduce what we know in the lives of others Reproducing a false gospel or an incomplete gospel perpetuates an unhealthy cycle At best this cycle produces immature Christians and at worst it produces false converts It is imperative we begin here Jesus spoke often of the Kingdom of God but do we know what this means or why it is important We should know because the Kingdom of God is the context for the gospel and the Great Commission Like the gospel the Kingdom of God is a necessary talking point for all other talking points found in this book Strive with Me invites women into a process that unfolds with each chapter It calls women to come with teachable hearts

which are open to honest self reflection and examination of our Christian women s culture It invites women to abandon patterns hindering them from fulfilling what Jesus commanded them to do It challenges women to deconstruct unbiblical cycles focus their minds on Scripture and participate in the mission of the Kingdom of God Challenging books on these topics have been written by some godly men We need their wisdom However it is time we as women take a hard look into our lives and our circles too It is time we answer the call to abide in the Scriptures grow spiritually according to the biblical definition and make disciples We are responsible to train and raise up the next generation of women Jesus has appointed us to accomplish this task while there is still breath in our lungs and so prove to be His disciples Will you answer the call

Genuinely Converted Prof. Ben Nworie Ph.D. M.Div. M.A. (Th).,2024-10-09 Many people who think or say they are Christians may not really be and may not even know it Genuinely Converted spells out the concrete recognizable signs that someone is genuinely converted which means their old life has passed away and a new person has emerged Christian conversion is at the heart of the all important questions that many of us have such as Why are we here and What happens to us after we die While our Christ centered relationship with God starts with conversion we must continue on to discipleship which is growing in Christ and living for Christ After reading this book you ll know how to define the meaning of true conversion identify the signs of conversion recognize false gospels being preached today respond to the message of the true Gospel and stir your life in the right direction prepare for the Rapture and avoid the Great Tribulation avoid being a fake or apostate Christian be a genuine victorious pastor or minister of the gospel Dr Nworie pastor counselor theologian and educator explains that experiencing genuine conversion is the only way to really live out God s purpose for your life With this book steeped in biblical wisdom get the answers you need to fulfill your purpose on earth and prepare for the inevitable end God s Word clearly talks about The Gospel truth packed inside this book is indispensable for the present and future life of every person or priest You won t be the same after reading this book Genuinely Converted uses God s Word to guide you to fulfill God s plan for your life be properly focused reduce your stress and prepare for heaven Zion's Herald ,1909 **The Baptist visitor** ,1896 *National Message and Banner* ,1928 *Classified Gems of Thought from the Great Writers and Preachers of All Ages* Francis Procter,1892 *The Standard* ,1903 The Sabbath school magazine, ed. by W.
