## INTRODUCTION

### BRIEF BIOGRAPHY OF ALAN PATON

Alan Paton was born and raised in South Africa. After he completed Natal University, Alan Paton taught school in the village of Isipingo. He began to explore religion, and converted to Anglicanism in 1931. In 1935, he became principal of the District Reformatory for delinquent black boys, where he made many successful, progressive reforms to the institution. During a visit of European and American prisons and reformatories, he began to write *Cry, the Beloved Country*. It was an immediate success upon publication, and sold over 25 million copies during Paton's lifetime. After the rise of the National Party, Paton became an anti-apartheid activist. He was president of the Liberal Party from 1952 until it was disbanded in 1962 because of how it was directed against interracial politics of parties. Paton was considered an enemy of the state; the government took his passport away in 1962 and did not restore it for a decade. He died in 1988, before the end of apartheid.

### HISTORICAL CONTEXT

In the same year after the publication of *Cry, the Beloved Country*, the National Party rose to power in South Africa and implemented racial apartheid, an extreme form of segregation between the wealthy white minority and the poorer, oppressed black majority.

### RELATED LITERARY WORKS

There are many books in the South African canon that deal with apartheid and its effects. *July's People* (1981) by Nadine Gordimer for Laureate Laureate Nadine Gordimer predicted how the system would fall and was banned by the government. *Tato* (1982) by Athol Fugard follows a young criminal with no family struggling amidst crushing poverty. Another novel by Alan Paton, *An Inheritance of Their Beauty* (1962) is set during the 1950s and follows a fictional version of his own politics of activism.

Additionally, he decides to seek out Absalom, who also left for Johannesburg and has not returned or written.

She agrees to come back with Stephen.

There is a headline in the newspaper: a local white man, Arthur Jarvis, has been shot and killed in a home invasion. As Stephen continues to look for his son, he is inspired to learn the police are also searching for Absalom, and are tracing the same steps Stephen had taken to try to locate him.
