9 To 5 The Musical Script:

Dolly Parton Carla Mooney, 2026-08-01 Stardom might have seemed like an impossible dream for most people born in rural Tennessee in the 1940s but Dolly Parton wasn't most people. From an early age Parton knew she wanted to be on stage and as she helped take care of her younger siblings, worked around her family's home and attended school in hand-me-down clothes, she set her mind on becoming a star. Parton started writing songs, playing music and performing in front of an audience when she was still in elementary school, determined to make a living from her music. After she graduated from high school, she moved to Nashville, Tennessee, the country music capital, and began paving the way to what would become one of the most successful entertainment careers in music history. Dolly Parton is a renowned musician, actor, and philanthropist. From her many songs, music awards, and top recordings to leading roles in movies to the millions of dollars she has contributed to disaster relief, literacy, and medical research, Parton has become one of the world's most recognized legends. And she did it all without forgetting her roots.

FLIP! Racheal Ofori, 2023-11-03 Call my narcissism whatever you want. And while you're at it, like, comment, subscribe, worship, fucking bow down. Meet Carleen and Crystal, the influencers with cultural commentary that will have you in stitches. Love them or hate them, there's no stopping their fast-growing online following. Offline, Carleen has her reservations about their cyber personas, but she idolises Crystal and would follow her anywhere, even to FLIP, the new social media giant that has everyone hooked, and Carleen and Crystal are no exception, especially when it seems that their videos could make them famous. Superstardom, followers, fame, influence, money, it's all just one click away. FLIP is the answer to everything they've ever dreamed of. But is it too good to be true? FLIP is a powerful new satire from critically acclaimed writer Racheal Ofori that probes what it means to live freely under the shadow of social media encroaching on every aspect of our lives. How can we be our authentic selves in a world of algorithms intent on proving just how disposable we all are? Originally produced by Fuel in association with Alphabetti Theatre and co-commissioned by Fuel and Soho Theatre as part of Soho Six, this edition was published to coincide with the world premiere and UK tour starting in October 2023.
