Interface Between Research And Dialogue:

The Interface Between Research and Dialogue International Association for the History of Religions. Congress, 2004 In Africa as elsewhere many scholars of religion are both involved in the study of religions and engaged in the field of dialogue But how about the relationship between these two domains Does the engagement in dialogue illegitimately interfere with the commitment to sound research Should the study of religions be bound to a scientific ethos which furthers the principle of dialogue or would this turn Religious Studies into an ideological endeavour Is dialogue possibly a crucial aspect of a future History of Religions especially in the context of Christian Muslim relations in Africa

Joining the Dialogue: Practices for Ethical Research Writing Bettina Stumm, 2021-07-08 Joining the Dialogue offers an exciting new approach for teaching academic research writing to introductory students by drawing on communication ethics Holding to the current view that academic writing means situating ourselves in a research community and learning how to join the research conversations going on around us Joining the Dialogue proposes that how we engage in dialogue with other researchers in our community matters We not only read acknowledge and build on the research of others as we compose our work we also engage openly attentively critically and responsively to their ideas as we articulate our own With this in mind Joining the Dialogue is geared to helping students discover the key ethical practices of dialogue receptivity and response ability as they join a research conversation It also helps students master the dialogic structure of research essays as they write in and for their academic communities Combining an ethical approach with accessible prose dialogic structures and templates practical exercises and ample illustrations from across the disciplines Joining the Dialogue teaches students not only how to write research essays but also how to write those essays ethically as a dialogue with other researchers and readers
