Doing Comparative Politics Timothy Lim Zip:

Doing Comparative Politics Timothy C. Lim, 2006 Unlike most other introductory texts in comparative politics that focus on country cases Lim's valuable book gives students the skills to become critical thinkers and to actually DO comparative politics themselves Claudio Holzner University of Utah Systematic coherent and user friendly this decidedly nontraditional introduction to comparative politics is designed to teach students how to think comparatively and theoretically about the world they live in The core of the book is organized around a set of critical questions why are poor countries poor why is East Asia rich what makes a democracy what makes a terrorist what makes a social movement each the topic of a full chapter These issue chapters are based on the solid methodological and theoretical foundation laid out in the first part of the book Graphics and definition boxes enhance the text **Doing Comparative Politics** will stimulate your students to critically engage with both the content and the methods of the field Timothy Lim is associate professor of political science at California State University Los Angeles and associate director of the university's Center for Korean American and Korean Studies

Contents The Basics Introduction What is Comparative Politics Comparing to Learn Learning to Compare Thinking Theoretically in Comparative Politics An Introduction The Questions Why Are Poor Countries Poor Explaining Underdevelopment Why is East Asia Rich Explaining Capitalist Development in Japan South Korea and Taiwan What Makes a Democracy Explaining Democratic Transition and the Breakdown of Authoritarian Rule What Makes a Social Movement Explaining the Rise and Success of Social Movements What Makes a Terrorist Explaining Political Violence Recent Developments Globalization and the Study of Comparative Politics

Comparative Politics Roy C. Macridis, Bernard Edward Brown, 1990 **Comparative Politics** James A. Bill, Robert L. Hardgrave, 1981 Originally published by Charles E Merrill Publishing Company in 1973 this study constitutes a theoretical introduction to the field of comparative politics Countries and Concepts Michael Roskin, 1997-07-01 **Comparative Politics: An Introduction** Joseph Klesner, Professor Mr., 2013-10-01 *Comparative Politics A Global Introduction* shows new students of world politics how the methods and concepts of comparative politics can lead them to ask critical questions to better understand the complex world around them The majority of undergraduates in introductory comparative politics courses do not plan to pursue graduate education in political science nor embark upon careers as political scientists Most hope to take part in public and perhaps international affairs as elected officials civil servants or engaged citizens As such they will need to make countless decisions about public policy including foreign policy throughout their careers *Comparative Politics A Global Introduction* equips students to make better more informed decisions Central to that task are three

important goals 1 to introduce readers to the conceptual foundations of comparative politics 2 to enhance their analytical and critical thinking skills through an introduction to basic empirical techniques of political and social science and 3 to promote their understanding of a wide range of countries and political leaders [Comparative Politics](#) Michael J. Sodaro, Nathan J. Brown, 2001 This work achieves a balance between the methodology and science of politics and the type of text that gives an understanding of key concepts theories and foundations of political science The author blends a nuts and bolts approach with meaningful historical and contemporary political examples and a strong theoretical background Written in an exceptionally clear tone and accompanied by websites exercises and readings this text reaches out to the introductory level student while also presenting material that can be used for continued training in scholarly research **Comparative Politics: Domestic Responses to Global Challenges** Charles Hauss, 2005-07-13 Balancing theory with application and now in a new exciting full color design Dr Hauss COMPARATIVE POLITICS is the best selling comprehensive text for the Introduction to Comparative Politics course The book uses a unique theme DOMESTIC RESPONSES TO GLOBAL CHALLENGES to introduce key concepts and examines the growing interdependence among strong and weak states through the discussion of 12 countries The introduction establishes a comparative structure based on 5 themes that are treated as appropriate for each individual country in color coded boxed features The themes are conflict democratization economic liberalization globalization and challenges The countries discussed are categorized by economic development helping students develop their skills of comparison synthesis and interpretation amongst countries of similar economic status Students will gain an understanding of some of the most important general trends an exposure to politics in a number of countries and a desire to dig more deeply into this fascinating and exciting field of comparative politics Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *Comparative politics* Howard J.
