## **Does Jesus Know Us Do We Know Him:**

*Does Jesus Know Us--do We Know Him?* Hans Urs von Balthasar,1983-01-01 The two reflections that form this book do not claim to mediate in the conflict between naive piety and scientific exegesis They arise from the conviction that only the Scriptures of the New Covenant taken as witnesses of faith and in their entirety can produce a tangible and credible portrait of Jesus Christ whereas every critical attempt to approach him from a position other than that of the faith witnessed to in the Scriptures can only result in a pallid distorted picture unworthy of belief and hence devoid of interest It is a fact only the person who is convinced that Jesus knows him personally gains access to knowledge of him And only the person who is confident of knowing him as he is can know that he is also known by him God Sent His Son Cardinal Christoph Schšnborn,Christoph von Schšnborn,2010-01-01 In this work of Christology Christoph Cardinal Schonborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Schonborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Schonborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval questions but also modern issues of Christology

*The Light of Christ* Thomas Joseph White,2017-09-14 This introduction to Catholicism combines scholarly depth with an engaging style to present the what and why of Catholic belief with exceptional clarity Charles J Chaput OFM Cap Archbishop of Philadelphia In *The Light of Christ* Fr Thomas Joseph White provides an accessible presentation of Catholic doctrine that is both grounded in traditional theology and engaged with contemporary concerns Inspired by the theologies of Irenaeus Thomas Aquinas and John Henry Newman Father White covers the major doctrines of the Christian religion including knowledge of God the mystery of the Trinity the incarnation and the atonement the sacraments and the moral life eschatology and prayer *The Light of Christ* also addresses topics such as evolution the modern historical study of Jesus and the Bible and objections to Catholic moral teaching Authoritative yet accessible this book serves as an excellent introduction for general readers or as a helpful text for theology courses in a university context This is a book that offers itself as a companion My goal is to make explicit in a few broad strokes the shape of Catholicism I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible ancient and contemporary mystical and reasonable

Father White from the Introduction *The Analogy of Beauty* John Riches, John K. Riches, 1986-03-10 Examines the whole range of von Balthasar's theology and provides a clear introduction to his work [The Life of Jesus Christ. Arranged from the Four Gospels Into One Consecutive Narrative. With Notes by the Rev. T. Boston Johnstone](#), 1874 **Where to from Here?** Brian Grogan, 2012 If you've ever felt challenged as a Christian to say what you believe about life after death you will find intelligent proposals here Fr Grogan's deep knowledge of the current scholarship on subjects like judgment heaven hell and purgatory is matched by his skill at clearly presenting insights through stories and examples This book begins with the idea that every inhabitant of this planet contributes to the shaping of God's project the life of the world to come and it emphasizes that the relationships between God and ourselves endure eternally Rooting everything in this sense of ongoing relationship Grogan poses and responds to questions such as Could hell be empty Can knowledge of the future transform the present What will it be like to be fully alive What will we do in heaven He also makes a clear call to engage with God now in transforming our present relationships so that everyone may become more truly fully alive This is the Christian gift to the world The next time anyone asks me about heaven hell purgatory limbo or anything related to what awaits us after our earthly lives have ended I will recommend this excellent new book Father Grogan's approach is wise without being preachy scholarly without being overly academic and hopeful without being naive He covers almost any question that a Christian might have about the last things and does so by taking those concerns seriously answering them carefully and grounding them in Scripture and tradition Highly recommended James Martin SJ author of *The Jesuit Guide to Almost Everything* Eternal paradise eternal torment is there more to the Christian afterlife than these concepts Father Brian Grogan discusses questions surrounding the afterlife exploring many ideas that aren't normally presented surrounding the ideas of fate our lives and what ultimately lies ahead of us as human beings *Where to From Here* is a fascinating read and addition to Christian and spirituality collections The Midwest Book Review Read full review at Midwest Book Review Fr Brian Grogan SJ takes a fresh and intelligently satisfying approach to such well worn topics as the general judgment heaven hell and purgatory He offers a fresh and hopeful look at the Christian vision of life after death and is an excellent choice for group discussions on life after death Liguorian *Popular Commentary of the Bible: Old Testament : the poetical and the prophetic books* Paul Edward Kretzmann, 1922 **Death as Transformation** Dr Henry L Novello, 2013-06-28 A key tenet of Christian faith is that the crucifixion of Jesus Christ is a unique death by which the powers of death in the world have been conquered so that Christian life in the Spirit is marked by the promise and hope of new life already anticipated in the community of baptized believers Notwithstanding this basic tenet regarding the Christian life as a participation in the redemptive death of Jesus Christ theology in the past as well as much contemporary theology tends to assign no salvific significance to the event of our own death focusing instead on death in negative terms as the wages of sin This work is a significant retort to theological neglect both Catholic and Protestant of the positive and transformative aspect of our death

when conceived as a dying into the redemptive death of Jesus Christ The development of Henry L Novello s proposed theology of death takes place in conversation with the pre eminent contemporary contributors to this field of theological inquiry By offering comprehensive critiques of Karl Rahner Hans Urs von Balthasar Karl Barth Eberhard J ngel and J rgen Moltmann Novello painstakingly pieces together a positive construal of death as salvific and transformative What is especially distinctive about Novello s work is that he develops the idea of death as a sharing in the admirable exchange of natures in the person of Jesus Christ from which emerges his theory of resurrection at death for all The reach of the work is extended by exploring some pastoral and liturgical implications of a theology of death conceived as the privileged moment for the actualization of God s grace in Jesus Christ and thus being created anew in the power of the Spirit
