Sociological Aspects of Crime and Delinquency (Routledge Revivals) Michael Phillipson, 2014-10-14 The field of crime and delinquency attracts a great deal of heated and partial opinion prejudice and other forms of mal thinking When there is a scientific approach there tends to be a psychological explanation This book first published in 1971 is a corrective to both trends It is a discussion of criminal behaviour in relation to a wide range of behaviours which could be called deviance and regards the whole field from the sociological point of view The whole discussion is related to social policy and is vital reading for students of sociology and criminology

**Sociological Aspects of Crime and Delinquency** Michael Phillipson, 1976

**Green Harms and Crimes** R. Sollund, 2016-01-12 The book presents discussions of the application of Stan Cohen's theories alongside empirical contributions in the fields of critical and green criminology Taken together the authors critically address harms and crimes against the environment as well as against human and nonhuman victims

**Inequality, Crime and Public Policy (Routledge Revivals)** John Braithwaite, 2013-09-13 First published in 1979 Inequality Crime and Public Policy integrates and interprets the vast corpus of existing research on social class slums and crime and presents its own findings on these matters It explores two major questions First do policies designed to redistribute wealth and power within capitalist societies have effects upon crime Second do policies created to overcome the residential segregation of social classes have effects on crime The book provides a brilliantly comprehensive and systematic review of the empirical evidence to support or refute the classic theories of Engles Bonger Merton Cloward and Ohlin Cohen Miller Shaw and McKay amongst many others Braithwaite confronts these theories with evidence of the extent and nature of white collar crime and a consideration of the way law enhancement and law enforcement might serve class interest

Perceptions of Female Offenders, Vol. 2 Brenda Russell, Celia Torres, 2023-11-27 This new edition is a nuanced exploration of female involvement in various crimes from delinquency domestic violence sexual assault and homicide that resonates with the pulse of contemporary society In an age where many events are tweeted and debated online this book delves into the intricate ways social media portrays female offenders and how this can distort public perceptions and effect legal outcomes Volume two includes recent research and theory examining how female perpetration is intricately related to gender roles that persist within the criminal justice system and often lead to gender disparities in treatment criminal justice response and sentencing and calls into question long held beliefs and systems that might not be as impartial as they appear The compelling nature of this volume addresses the complex relationship between trauma and offending and examines crucial subjects like partner violence homicide and the unique challenges faced by trans women within the criminal justice system and examines the myths associated with female offending and how that bleeds into criminal justice response It addresses theories that provide insight into female offending and sentencing and offers ways to generate gender inclusiveness This volume invites researchers practitioners and advocates for justice to join a vital conversation and develop a more informed and equitable

criminal justice response      *Critical Criminology* Ian Taylor, Ian Taylor, M.B, Paul Walton, Jock Young, 2011-12-08 First published in 1975 this collection of essays expands upon the themes and ideas developed in the editors previous work the visionary and groundbreaking text *The New Criminology* Directed at orthodox criminology this is a partisan work written by a group of criminologists committed to a social transformation a transformation to a society that does not criminalize deviance Included are American contributions particularly from the School of Criminology at Berkeley represented by Hermann and Julia Schwendinger and Tony Platt together with essays by Richard Quinney and William Chambliss From Britain Geoff Pearson considers deviancy theory as misfit sociology and Paul Hirst attacks deviancy theory from an Althusserian Marxist position The editors contribute a detailed introductory essay extending the position developed in *The New Criminology* and two other pieces which attempt to continue the task of translating criminology from its traditional correctionalist stance to a commitment to socialist diversity and a crime free set of social arrangements      *Paperbacks in Print* ,1975      *Essential Criminology* Stuart Henry, Desiré J. M. Anastasia, 2025-04-09 This significantly expanded edition of *Essential Criminology* covers the broadest range of criminological theories the essential criminological theories from longstanding ones such as classical theory and strain theory to recently introduced ones such as ultra realism and green cultural criminology Whether all are essential depends on one's theoretical stance The value of this text is its carefully designed comparative analysis which helps readers consider their relative contribution to the field Originally designed as an alternative to lengthy and expensive introductory texts *Essential Criminology* provides a concise yet comprehensive overview of the field The book offers a clear structured student friendly critical analytical examination of the nature of crime theories of crime causation and their criminal justice policy implications Causal theories covered range from micro level classical and rational choice to biological psychological social learning social control and interactionist perspectives to macro level social ecology anomie strain conflict Marxist feminist and postmodernist theories Over its 26 year history the book has added new theoretical perspectives as these have gained prominence New to this edition are chapters on critical and ultra realism and critical green criminology and discussions of zemiology critical race theory and quantum holographic criminology The authors have also expanded some theoretical frameworks that had previously been underdeveloped such as opportunity theory subcultural theory and social constructionism *Essential Criminology* contextualizes criminology in the globally interdependent 21st century addressing the crimes of terrorism global pandemics and climate change With its cutting edge updates illustrative real world examples and student friendly study tools including analytically comparable summary charts exposing each theory's ontological assumptions this text was designed primarily for undergraduate criminology courses but has also been adopted by community colleges and graduate programs in criminology sociology and political science

Downloading Sociological Aspects Of Crime And Delinquency Routledge Revivals provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociological Aspects Of Crime And Delinquency Routledge Revivals has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociological Aspects Of Crime And Delinquency Routledge Revivals. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociological Aspects Of Crime And Delinquency Routledge Revivals. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Sociological Aspects Of Crime And Delinquency Routledge Revivals, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sociological Aspects Of Crime And Delinquency Routledge Revivals has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
