The Key of Destiny Harriette Augusta Curtiss, Frank Homer Curtiss, 1923 **The Key to Destiny's Door** Bc Dongs, 2021-09-21 THE KEY TO DESTINY S DOOR he entire universe has in it BOXES of treasures Each of these treasures are being locked in a box While some sees these treasure boxes as full loads of problems others sees it as an opportunity to do exploit Either ways they are right because every problem is meant to be solved and every opportunity is meant to be seized The BOX is a shield a covering and a dwelling place for treasures What can prevent you from accessing and acquiring these treasures is the BOX In order to gain entry into these household of treasures the BOX all you need is the KEY The BOX can be referred as PROBLEMS while the KEY can be seen as your GIFT and TALENT which we all have God brought us to a world filled with PROBLEMS because there is something the earth need that is in us SOLUTIONS We are created to solve problems so if you re not solving a problem then you re one of the problems Ones greatness can only be measured up by the numbers of problem he or she solved We all are born with the KEY but how can we identify the right BOX We all are born with an ANSWER the problem is how can we get the QUESTION That s where purpose steps in without purpose you might live your entire life using the right key on the wrong lock Having the key without knowing the right lock is useless Also having the answer without knowing the question is utterly useless KEYS are not meant to open all DOORS but they are designated to open the RIGHT DOORS For a door to open the key must match with the lock Thus for you to excel in life your GIFT and TALENT must match with your PURPOSE and CALLING It is said Thomas Edison was afraid of the dark he invented the electric bulb To analyze this the Dark was his problem and the electric bulb he invented is the answer to his problem You must know this the world will benefit more from your gift much more than yourself That is why it is being called a gift What key are you born with And what box are you supposed to unlock The KEY is your GIFT the lock is your DESTINY Your gift is the only thing that can connect you to your destiny Remember this as long as you live the GIFT you carry is an answered prayer to the world problem make use of it Destiny Keys Wade Thompson, 2009-07 Many people live and die never knowing or fulfilling their purpose and destiny in life Hidden deep in the heart of God are keys to fulfilling the multi dimensional life plan that involves a very specific assignment uniquely designed for each one of us Unlocking the secret of how to live out our life and purpose in three dimensions involves multiple components Knowing our destiny or simply our destination taking dominion over disappointment and discouragement ruling in life as stewards of the truth expressing our priesthood as followers of Jesus and demonstrating the kingdom of God in the earth The Dream Key Defining Moments and

Prophetic Encounters The Definition Key Knowing Your Identity and Finding Your Voice The Development Key Unlocking Your Potential for Positioning The Discipline Key Knowing the Times and Seasons The Demonstration Key Taking Dominion of Your Future The study of biblical historical and contemporary leaders reveals the disturbing fact that few leaders finish well Studies show that there are key barriers that can exist in the life of the leader that contribute to downfall and if we desire to finish well we must be aware of them While leadership failure will continue to be a reality in our societies there are key traits that we can identify and develop from those leaders who have finished well who have left a legacy to contribute to the success of we who follow The application of these characteristics coupled with strong spiritual disciplines is the focal point for all leaders who desire to finish well and not be disqualified for service
