

# FIRE ENGINEERING'S STUDY GUIDE FOR FIREFIGHTER I AND II

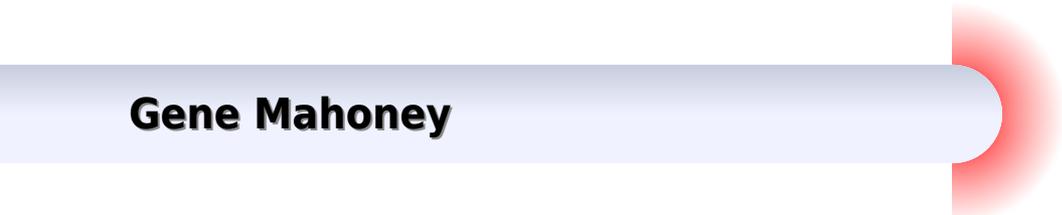

BY ANTHONY AVILLO AND JAMES KIRSCH

The image shows the silhouettes of four firefighters in full gear, including helmets and jackets, standing in a line. They are positioned in the foreground, looking towards a massive, intense fire that fills the background. The fire is bright orange and yellow, with thick smoke rising from it. The scene is set against a dark background, making the fire and the silhouettes stand out prominently. The overall mood is one of bravery and the scale of the fire engineering profession.
