**Export and Import Price Index Manual: Theory and Practice** OECD, International Labour Office, International Monetary Fund, Statistical Office of the European Communities, United Nations, The World Bank, 2010-04-06 A joint production by six international organizations this manual explores the conceptual and theoretical issues that national statistical offices should consider in the daily compilation of export and import price indices Intended for use by both

**Consumer Price Indices** Ralph Turvey, International Labour Office, 1989 Consumer price indexes CPI are essential for assessing social conditions and economic performance They are also important in the economic life of large sections of the population whose wages and salaries are regulated by them This book looks at various national practices in index compilation

**Consumer Price Index Manual** International Monetary Fund, 2004-08-25 The consumer price index CPI measures the rate at which the prices of consumer goods and services are changing over time It is a key statistic for economic and social policymaking and has substantial and wide ranging implications for governments businesses and households This important and comprehensive Manual provides guidelines for statistical offices and other agencies responsible for constructing CPIs and explains in depth the methods that are used to calculate a CPI It also examines the underlying economic and statistical concepts and principles needed for making choices in efficient and cost effective ways and for appreciating the full implications of those choices *A Practical Introduction to Index Numbers* Jeff Ralph, Rob O'Neill, Joe Winton, 2015-08-17

This book provides an introduction to index numbers for statisticians economists and numerate members of the public It covers the essential basics mixing theoretical aspects with practical techniques to give a balanced and accessible introduction to the subject The concepts are illustrated by exploring the construction and use of the Consumer Prices Index which is arguably the most important of all official statistics in the UK The book also considers current issues and developments in the field including the use of large scale price transaction data *A Practical Introduction to Index Numbers* will be the ideal accompaniment for students taking the index number components of the Royal Statistical Society Ordinary and Higher Certificate exams it provides suggested routes through the book for students and sets of exercises with solutions

**Price Index Concepts and Measurement** W. Erwin Diewert, John Greenlees, Charles R. Hulten, 2010-02-15 Although inflation is much feared for its negative effects on the economy how to measure it is a matter of considerable debate that has important implications for interest rates monetary supply and investment and spending decisions Underlying many of these issues is the concept of the Cost of Living Index COLI and its controversial role as the methodological foundation for the Consumer Price Index CPI *Price Index Concepts and Measurements* brings together leading experts to address the many questions involved in conceptualizing and measuring inflation They evaluate the accuracy of COLI a Cost of Goods Index and a variety of other methodological frameworks as the bases for consumer price construction **The Eastern Caribbean Economic and Currency Union** Mr. Alfred Schipke, Aliona Cebotari, Ms. Nita Thacker, 2013-04-10 The Eastern Caribbean

Economic and Currency Union OECS ECCU is one of four currency unions in the world As in other parts of the world in the aftermath of the global economic and financial crisis the region is at a crossroads facing the major challenges of creating jobs making growth more inclusive reforming the banking system and managing volatility while grappling with high public debt and persistent low economic growth Policymakers have the critical task of implementing strong reforms to strengthen the monetary union while also laying the foundation for accelerating growth This Handbook provides a comprehensive analysis of the key issues in the OECS ECCU including its organization and economic and financial sector linkages and provides policy recommendations to foster economic growth International Labour Review ,2004 Main Economic Indicators Comparative Methodological Analysis: Consumer and Producer Price Indices Volume 2002 Supplement 2 OECD,2002-09-03 This publication compares key aspects of statistical methodologies used by OECD member countries in the compilation of price indicators **The 2008 Consumer Price Index (CPI)** Kenya National Bureau of Statistics,2008 *The ONS Productivity Handbook: A Statistical Overview and Guide* NA NA,Great Britain. Office for National Statistics,2007-07-16 ONS Productivity Handbook a Statistical Overview and Guide examines the importance and relevance of economic productivity and serves as a reference on the subject Areas covered include productivity analysis within various sectors and at firm level as well as measures of labour and capital inputs **Core Inflation Measures and Statistical Issues in Choosing Among Them** Mick Silver,2006-04 This paper provides an overview of statistical measurement issues relating to alternative measures of core inflation and the criteria for choosing among them The approaches to measurement considered include exclusion based methods imputation methods limited influence estimators reweighting and economic modeling Criteria for judging which approach to use include credibility control deviations from a smoothed reference series volatility predictive ability causality and cointegration tests and correlation with money supply Country practice can differ in how the approaches are implemented and how their appropriateness is assessed There is little consistency in the results of country studies to readily suggest guidelines on accepted methods **Studies in Income and Wealth** ,1937 Statistical Newsletter United Nations. Economic and Social Commission for Asia and the Pacific,2001 *United Nations Documents Index* ,2007 **African Statistical Journal** ,2007 *Journal of Official Statistics* ,2009 *Statistical Journal of the United Nations Economic Commission for Europe* ,2006 **Economic Trends** ,2006 **Main Economic Indicators** ,2002-09-17 This publication compares key aspects of statistical methodologies used by OECD member countries in the compilation of price indicators It is the second in a series of such publications which focus on data comparability in the context of international statistical guidelines and recommendations published by the OECD and other international agencies This publication complements two other OECD publications Main Economic Indicators MEI and Main Economic Indicators Sources and Definitions The MEI is a monthly publication that presents a range of short term economic indicators that provide an overview of recent international economic developments for the 30 OECD member countries and a number of non member

countries The Sources and Definitions publication provides explanations on the sources and definitions used by individual member countries and selected non member countries to compile the short term indicators presented in the MEI It also describes a number of data presentation aspects such as index linking and the compilation of zone aggregates ALSO AVAILABLE ON CD ROM AND ON LINE The CD ROM version of the MEI database is available in Beyond 20 20TM for WindowsTM which is user friendly software that allows the user to extract data and prepare customised tools for analysis such as graphs and tables It contains additional information not available in the paper publication such as extra business survey balance of payments and leading indicator series The database is also available online at [www SourceOECD org](http://www.SourceOECD.org)

Main Economic Indicators Comparative Methodological Analysis: Consumer and Producer Price Indices Volume 2002 Supplement 2 OECD,2002-09-17 This publication compares key aspects of statistical methodologies used by OECD member countries in the compilation of price indicators It is the second in a series of such publications which focus on data comparability in the context of
