Ross Mathews,2014-02-25 In this hilarious and inspirational memoir Ross Mathews best known as Ross the Intern from The Tonight Show with Jay Leno chronicles his life growing up as an atypical kid in a small Northwestern farm town to living as an atypical adult in Los Angeles to eventually being his loud proud apologetically genuine self on national television As a young kid growing up in a farm town Ross Mathews might as well have wished for a pet unicorn or a calorie free cookie tree to grow in his front yard Either of those far fetched fantasies would have been more likely to come true than his real dream working in television in Hollywood California Seriously that stuff just doesn t happen to people like Ross But guess what It totally did Now with his first book Ross takes us inside his journey as a super fan revealing the most embarrassing and hilarious moments of his small town life and big city adventures From learning to swear like a hardened trucker to that time in high school when had to face down the most frightening opponent of all his girlfriend s lady bits Ross holds nothing back Oh then there s his surprisingly shady past involving the cutest pair of plus sized women s pajama bottoms deliciously dangerous pot butter and embezzled sandwiches And of course how he s managed to turn an obsession with pop culture into one on one interactions with celebrities like Gwyneth Paltrow Tiffani Amber Theissen Madonna Michelle Kwan and countless more without ever having a single restraining order issued against him Infused with Ross s trademark humor unique voice and total honesty Man Up is a

mission statement for anyone who doesn't fit the mold. His hasn't been the most traditional way to build a career in Hollywood but Ross has somehow managed to make his mark without ever compromising who he is. He is as serious about this as he is about Golden Girls trivia. You don't need to change who you are to achieve your dreams although there's nothing wrong with a makeover every now and then. You just need to Man Up [Just Kidding](#) Louis R. Franzini, 2012-07-30 For professional comedians their primary goal is to make people laugh. For everyone else humor can be the envelope in which another message is sent and therefore will be received with pleasure. This book is designed precisely to help you make your own efforts at humor more effective in achieving the primary goals of your interaction to solidify friendships, preserve a marriage, obtain employment, close sales, conduct therapy, defuse conflict or simply enjoy life more. Humor is a quality nearly all of us claim in ourselves and one which we seek and highly value in others. We love a sense of humor in our dates and mates, our children and everyone with whom we have social contacts. When humor making is successful we are drawn closer to other people and share a bonding emotional experience. We enjoy life more and our troubles seem to lessen instantly. There are many proven ways to enhance our senses of humor in ourselves and even our children. Humor making can be taught and developed to a very high level thus increasing our chances for social and even economic success. [Just Kidding Using Humor Effectively](#) is for adults who enjoy humor and who would like to be funnier. It includes definitions of funniness and examples of both helpful and harmful humor. It describes the relevant comedic and psychological rules for making humor effective. The book points out the danger signs for offensive humor and how to make the decision to say it or stuff it. Examples of successful and unsuccessful humor from comedians to politicians are used throughout to illustrate the many varieties of humor and how context and audience make a difference. Finally a variety of fun exercises are offered to build the skills for effective humor making.
