**The Diary of Dolores D'Lump** Claire N. Laishley,2011 Claire Laishley wasn t particularly concerned when she found a lump in her breast She d had two others removed over the years both benign and at the time the doctor had intimated there would probably be more But this time things would be different The Diary of Dolores D Lump covers the twelve month period from the day breast cancer was diagnosed It is a powerful story that takes the reader on an emotional journey through the harsh treatment regime which in Claire s case leads to unexpected and life threatening side effects But although the subject matter is serious this story also captures the author s sense of humour and indomitable spirit Like her previous book *My Mother is my Daughter* which told the story of how dementia in her mother changed the dynamic of their relationship the author manages to inject humour into what many would feel was yet another humourless subject Along with the humour there is a blunt honesty in her writing she is not afraid to detail her emotional lows and many will relate to her story

*Stiletto Diaries* London Knight,2009-10 For most that work with in the strip club industry help comes far to late Until now the stripper code of silence has never been broken and the truth never told *Stiletto Diaries* will take you off the stage out of the bright neon lights and straight into the truth behind the strip club industry a world where drug overdoses and murder are a daily occurrence a world run by the mob themselves It is solely within the stories of those who have lost their lives due to the industry can the real story be told So take my hand and come with me on a journey that few ever get to take

**Bang Your Head** David Konow,2009-02-25 *Bang your head* Metal Health ll drive you mad Quiet Riot Like an episode of VH1 s *Behind the Music* on steroids *Bang Your Head* is an epic history of every band and every performer that has proudly worn the Heavy Metal badge Whether headbanging is your guilty pleasure or you firmly believe that this much maligned genre has never received the respect it deserves *Bang Your Head* is a must read that pays homage to a music that s impossible to ignore especially when being blasted through a sixteen inch woofer Charting the genesis of early metal with bands like Black Sabbath and Iron Maiden the rise of metal to

the top of the Billboard charts and heavy MTV rotation featuring the likes of Def Leppard and Metallica hitting its critical peak with bands like Guns N Roses disgrace during the hair metal 80s and a demise fueled by the explosion of the Seattle grunge scene and the alternative revolution Bang Your Head is as funny as it is informative and proves once and for all that there is more to metal than sin sex and spandex To write this exhaustive history David Konow spent three years interviewing the bands wives girlfriends ex wives groupies managers record company execs and anyone who was or is a part of the metal scene including many of the band guys often better known for their escapades and bad behavior than for their musicianship Nothing is left unsaid in this jaw dropping funny and entertaining chronicle of power ballads outrageous outfits big hair bigger egos and testosterone drenched debauchery
