

# The Ingenious YANKEES

The men, ideas, and machines that  
transformed a nation, 1776-1876

Joseph & Frances Gies

GEO. H. CORLISS.

PROVIDENCE, R.I.

# Ingenious Yankees

**WJ Hussar**

## **Ingenious Yankees:**

**The Ingenious Yankees** Joseph Gies,1979     *Ingenious Yankees* Donald Hoke,1986     *Ingenious Yankees* Donald R. Hoke,1990-03-02     **A New Nation of Goods** David Jaffee,2010 A New Nation of Goods highlights the significant role of provincial artisans in four crafts in the northeastern United States chairmaking clockmaking portrait painting and book publishing to explain the shift from preindustrial society to an entirely new configuration of work commodities and culture

Yankee Theatre Francis Hodge,1964-01-01 The famous Stage Yankees with their eccentric New England dialect comedy entertained audiences from Boston to New Orleans from New York to London in the years between 1825 and 1850 They provided the creative energy for the development of an American type character in early plays of native authorship This book examines the full range of their theatre activity not only as actors but also as playwrights and re evaluates their contribution to the growth of the American stage Yankee theatre was not an oddity a passing fad or an accident of entertainment it was an honest exploitation of the materials of American life for an audience in search of its own identification The delineation of the American character a full length realistic portrait in the context of stage comedy was its projected goal and though not the only method for such delineation the theatre form was the most popular and extensive way of disseminating the American image The Yankee actors openly borrowed from what literary sources were available to them but because of their special position as actors who were required to give flesh and blood imitations of people for the believable acceptance of others viewing the same people about them they were forced to draw extensively on their actors imaginations and to present the American as they saw him If the image was too often an external one it still revealed the Yankee as a hardy individual whose independence was a primary assumption as a bargainer whose techniques were more clever than England s sharpest penny pincher as a country person more intelligent sharper and keener in dealings than the city bred type as an American freewheeler who always landed on top not out of naive honesty but out of a simple perception of other human beings and their gullibility Much new evidence in this study is based on London productions where the view of English audiences and critics was sharply focused on what Americans thought about themselves and the new culture of democracy emerging around them The shift from America the borrower to America the original doer can be clearly seen in this stager activity Yankee theatre then is an epitome of the emerging American after the Second War for Independence Emerging nationalism meant emerging national definition Yankee theatre thus led to the first cohesive body of American plays the first American actors seen in London and to a new realistic interpretation of the American in the character plays of the 1870s and 1880s     The Rise and Decline of England's Watchmaking Industry, 1550-1930 Alun C. Davies,2022-04-11 This survey of the rise and decline of English watchmaking fills a gap in the historiography of British industry Clerkenwell in London was supplied with rough movements from Prescott 200 miles away in Lancashire Smaller watchmaking hubs later emerged in Coventry Liverpool and Birmingham The English industry led European watchmaking in the late eighteenth century in output and its

lucrative export markets extended to the Ottoman Empire and China It also made marine chronometers the most complex of hand crafted pre industrial mechanisms crucially important to the later hegemony of Britain s navy and merchant marine Although Britain was the workshop of the world its watchmaking industry declined Why First because cheap Swiss watches were smuggled into British markets Later in the era of Free Trade they were joined by machine made watches from factories in America enabled by the successful application to watch production of the American system in Waltham Massachusetts after 1858 The Swiss watch industry adapted itself appropriately expanded and reasserted its lead in the world s markets English watchmaking did not its trajectory foreshadowed and was later followed by other once prominent British industries Clerkenwell retained its pre industrial production methods Other modernization attempts in Britain had limited success or failed

**Florentine Ariosto Jones: A Yankee in Switzerland and the Early Globalization of the American System of Watchmaking** Frank Jacob,2021-09-07 This book recounts the story of Florentine Ariosto Jones who after the Civil War decided to manufacture watches Combining the cheap labor available at the time in Switzerland with US manufacturing technologies Jones embarked on his venture to produce affordable watches for the American market Consequently he became a pioneer in the business of outsourcing labor for economic purposes through his contracting of labor to Europe While the company still exists today very little is known about Jones The present book will undoubtedly change this by telling the fascinating story of an American adventurer and his pursuit to globalize American watchmaking at the end of the 19th Century American Manual of Phonography Elias Longley,1894 Proceedings of the United States Naval Institute United States Naval Institute,1919 **Eclectic Manual of Phonography** Elias Longley,1889 *General George H. Thomas Donn Piatt*,1893 Printers' Ink ,1915 The United Service ,1890 *United States Naval Institute Proceedings* ,1919 **Out West Magazine** ,1904 San Diego Yesterdays Daughters of the American Revolution. San Diego Chapter,1921 *Biographic Clinics: The origin of the ill-health of George Eliot, George Henry Lewes, Wagner, Parkman, Jane Welch [!] Carlyle, Spencer, Whittier, Margaret Fuller Ossoli, and Nietzsche* George Milbry Gould,1903 **The World's Work** ,1910 **Selected Writings of Elbert Hubbard** Elbert Hubbard,1922 Land of Sunshine ,1904 Includes reports etc of the Southwest Society of the Archaeological Institutes of America
