Dancing With Rick My Spiritual Awakening:

Dancing With Rick Christine Anne Linnane, 2012-05-01 Dancing with Rick is the story of Christine Linnane's spiritual awakening at age 40 after losing a beloved friend from college. Shortly after his death she began to notice Rick's presence around her which led her to have her first reading with a psychic medium. From there she embarked on a healing journey. She learned to meditate, create powerful affirmations, and listen to her soul. She explored her past lives, attended mind blowing sessions, and trained in Reiki. Intrigued by her ability to communicate directly with spirits on the other side she studied mediumship with teachers in the United States, Ireland, and England, making friends and having adventures along the way. She is passionate about helping people connect with their departed loved ones. **Uncage Eden: A Spiritual Philosophy Book about Food, Music, and the Rewilding of Society** DJ Rankin, 2018-11-20 Our planet is in peril. Our species is in captivity. We alone hold the key. We have become disconnected from the love song of our living planet and as a result she has become severely out of balance as she spirals through her evolution. It is not beyond our power to regain a harmonious relationship with our plentiful Mother Earth and as we reweave the web of symbiosis we were born with, humanity may once again experience a life without limitation. We are meant to be integral components of the wild, not slaves of the systematic destruction of it, and as the veil of our incarceration is lifted, we will rise to the occasion of tearing down the walls that contain us. This is the story of one water protector's path to understanding his struggle to find what it means to live in a good way and the incredible world that his adventure reveals along the journey. From Rattlesnakes to frybread to space dust to space funk, the music of the universe has a most compelling story to share, and as we ride the wave of this fundamental vibration, we become enlightened to the astounding complexity of creation. We are the dreamers, we are the creators, we have the ability to manifest our own reality as we travel throughout this material existence, and it is up to us to believe in the abundance of tomorrow. We have become lost in a cloud of fear as we insist on imagining the worst possible outcomes for our children's future. The powers that be are attempting to subdue our awakening, but we are emerging from this nightmare and rediscovering the true nature of the spirit within. Life is meant to be lived, every moment is meant to be cherished, and you are meant to be you. The language of human supremacy has convinced us that we are powerless, but we alone hold the key to unlocking the cages of our planet, and as we shed this illusion of scarcity, the magic of the garden will once again be free to bloom. And we're gonna make the best late night snacks. Also available in print form at lulu.com. **Blind Spots** John Domenico, 2009-12 What happens when you never stop questioning what you believe? They say God works in mysterious ways. John Domenico should know. In his 50 plus years, he's embarked on a seeker's journey that has taken him from steadfast Catholicism to born again Christianity to a unique kind of inclusive spirituality. **Blind Spots: The Memoirs of a Baby Boomer on the Rocky Road towards Spiritual Awakening** collects his insightful and often humorous thoughts, reflections, and critiques on all of them. The result is a deliciously candid and frank book that will appeal to anyone who's ever struggled to understand his

or her faith From early on it s clear Domenico marched to his own drummer As a child he learns to question his family s Catholic faith and finds plenty of trouble from the nuns and priests in Catholic school Subsequent to his experimentation in the 1960 s and 70 s Domenico settles down and after initial resistance discovers Pentecostalism But eventually he finds cracks in his latest belief system and he sets out for what will be the most spiritually fulfilling quest of all Interspersed are compelling asides on his personal life as well as the politics major events personalities and trends that have shaped the last half century Throughout it all Domenico s sensitivity and keen wit masterfully transform an ordinarily timeworn subject that under his care is crafted into a thought provoking rollicking ride that might just get you questioning your own deeply held beliefs Reader reviews It made me laugh it made me cry and it made me think so much I don t know what I believe anymore I loved it I think it should be required reading for everyone on the planet Domenico tells his story with painful rawness His courage is rivaled only by his masterful storytelling revealing much of who we all are in this provocative memoir
