

European Paediatric Life Support (EPLS) Provider Course Regulations 2014

1. General

- 1.1 All Course Directors, Instructors and Instructor Candidates must abide by the Resuscitation Council (UK) Code of Conduct.
- 1.2 Any profit made from EPLS provider courses should be used only for purposes directly related to resuscitation.
- 1.3 A registration fee for each candidate is payable to the Resuscitation Council (UK), in addition to the cost of the manual. No refunds or credits are available on unused registrations.
- 1.4 The EPLS provider course will last for a minimum of 2 full days.
- 1.5 The Resuscitation Council (UK) discourages the payment of Honoraria and advises, in the interests of probity, that any such payment should be made through the Trust's Finance Department. For further guidance please see the "Payment of Honoraria to Resuscitation Council (UK) Instructors" statement.

2. EPLS Course Centres

- 2.1 Only an approved Course Centre may run the EPLS course.
- 2.2 Applications to become a Course Centre should be made in writing to the Resuscitation Council (UK) using the EPLS Course Centre application form and will be reviewed by the EPLS Subcommittee.
- 2.3 A Course Centre is regarded as the administrative centre from which the EPLS provider course is organised, rather than the geographical location of where a course is delivered or the person organising it. For example, a Trust that has 3 hospital sites but organises courses centrally from one site need only register as 1 centre.
- 2.4 A Course Centre may only organise courses within its own NHS region.
- 2.5 Where a Course Centre delivers a course at a new location, the Course Centre is responsible for ensuring that the facilities at the new venue are adequate.
- 2.6 The first course run by any Course Centre must be assessed by a Resuscitation Council (UK) EPLS course assessor who must be present for the entire course.
- 2.7 A Resuscitation Council (UK) EPLS course assessor is an experienced instructor approved by the EPLS Subcommittee.

A list of current approved EPLS course assessors is available from the EPLS Co-ordinator at the Resuscitation Council (UK).

The Resuscitation Council (UK) will pay all reasonable expenses for EPLS course assessors. The EPLS course assessor should claim these from the Council rather than the Course Centre.

- 2.8 EPLS course assessors must not be counted as faculty. If, however, they decide to teach their attendance will be counted towards their teaching requirements.
- 2.9 Course Centres must not be assessed by their own Course Director acting in the capacity of an approved EPLS course assessor.

Epls Resuscitation Manual Introduction

In the digital age, access to information has become easier than ever before. The ability to download Epls Resuscitation Manual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Epls Resuscitation Manual has opened up a world of possibilities. Downloading Epls Resuscitation Manual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Epls Resuscitation Manual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Epls Resuscitation Manual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Epls Resuscitation Manual. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Epls Resuscitation Manual, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Epls Resuscitation

Manual has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
