**The Mind Control Manual of Dantalion Jones** Dantalion Jones,2011-01-10 Do you think there are any special skills to being happy What would you teach if you had your own followers Within this book you ll get the answers to those two questions via a simple set of exercises and meditations You see it s not like you re being asked to start a cult any time soon It s just that there are some very useful tools that anyone can use to gain a noticeable amount of happiness The truth is that if EVERYBODY used these mental tools people would be happier more good things would get done and the world would be a nicer place But that is perhaps asking too much What you get in this little manual are exercises and meditations the author has used to feel better about life and gain more control over every aspect of life In other words these are useful exercises that you can use every day and feel better as a result No one is telling you to go out and start your cult but if you were to these would be great positive exercises and teachings that would make people look at you with awe and wonder Teach people these exercises and you re bound to find a few smart people who see you as wiser than King Solomon Inside The Mind Control Manual you get The four things you ll need to value to be forever happy You ll learn why most people aren t happy The answer is It s hard work You ll learn how to wake up looking forward to the day You ll learn why most people hate themselves and how to over come it You ll learn how to communicate with a future you who has accomplished it all so that you can get good advise You ll learn how to change past events so they will never drag you down no matter how terrible they may have been You ll learn how to focus your thoughts so that you are filled with energy instead of having to battle anger and frustration and more No you don t have to start a cult but if you did you could start here These are nice kind exercises in mind control that you should use on yourself and teach to as many people as possible

of Might is Right THE BOOK OF POWER is an unapologetic treatise of acquisition power and the privilege that comes from self entitlement If it be true that every man and woman is star then is your bible of stardom Natural law makes no false judgments Its decisions are true and just even when dreadful The victor gets the gold and the land every time So there is no reason to hesitate or doubt yourself If you want something anything don t apologize Go after it and may the devil take the hind most Cunning and guile are not evils but virtues to be cultivated THE BOOK OF POWER has been issued not for private profit but to assist in uprooting the alien and pernicious ideals that have been for so long corrupting the blood and corroding the brain You will find that THE BOOK OF POWER is your personal cheering section a strong and supportive voice to drown out the clamorous thoughts of surrender and self doubt

**Mind Control Hypnosis** Dantalion Jones,2014-07-10 As a rule I no longer give hypnotic suggestions to my clients The result is that hypnosis works every time for every client I have This second edition of Mind Control Hypnosis invites anyone interested in hypnosis to consider how as a hypnotist making a few seemingly small changes can give you unbelievable results Here are few gems that you ll learn from reading Mind Control Hypnosis You ll learn how to increase your effectiveness as a hypnotist by never giving a hypnotic suggestion What YOU believe as a hypnotist has a direct result on your effectiveness You ll learn some central beliefs held by the best hypnotists alive You ll learn how to create hallucinations in people in and out of hypnosis You ll learn how to program your clients mind to say Yes automatically to ALL your instructions This make hypnosis easy for you and effective for them You ll learn why direct hypnosis as opposed to permissive or Ericksonian hypnosis is the most direct and fastest way to get results You ll learn why most hypnotist don t tell the truth when they claim You can t be hypnotized to do something against your will The truth is OF COURSE YOU CAN it s just not always a good idea Most hypnotists will tell you You can t be made to do something in hypnosis that is against your Will Most of them actually believe it But a few of the most experienced hypnotists simply say it to put people at ease They know that in the right hands very few people can resist a skilled hypnotist Skilled hypnotists know what it takes to resist suggestions and it s not what most people would think There are two reasons hypnotists continue to hold so tightly to this information about the human Will Reason 1 Because they don t want others to have the power they have In spite of what they may want you to believe hypnotists are human beings They have egos and ambitions just like everyone else lot of hypnotists discover something that works really well and they ll want to keep it to themselves I m no different I sat on this for over a year before I decide to put it to print Reason 2 Because it frightens away clients who believe they have some sort of Will Power The belief that we have control over our lives is one of our central needs that help us feel secure But the fact is most people have very little real Will Power For most people real Will Power is a myth a story even a fantasy Facing this truth for most people is a humbling experience The secret of the human Will is that it s much easier to overcome than anyone has ever thought The good news is that these secrets can help hypnotists and their clients to improve Hypnotists become more effective and more compassionate and their clients discover exactly what they can do to the get

most from any hypnosis session The book *Mind Control Hypnosis* describes how skilled hypnotists bypass the human Will and get people to do things that seem out of the ordinary Thankfully most of these hypnotists are good and decent people who use this knowledge to help people improve their lives [Mind Control 101](#) Dantalion Jones,2007-11 Why would someone write a book on Mind Control Because as much as we try to elevate ourselves above being human animals we are in fact animals We are subject to the wants and desires of any being with a genome and vertebrae To rise above that is an admirable and a task we should take on as a worthy spiritual endeavor But to deny that we are truly animals is to lie to ourselves We must deal with people who may not be so enlightened advanced as we are They may desire what we have and be secretly filled with envy and contempt The worst event is to have these suspicions fulfilled and then be pulled down into the politics of man Do we deny that it s happening and hope others will be touched by our honesty and good will enough to change Or do we drop our highest spiritual ideals and play their game I would like to suggest a radically different strategy Take the game of manipulation and Mind Control and make it a part of your spirituality **The Forbidden Book of Getting What You Want** Dantalion Jones,2008-01-01 The most direct irreverent and devious self improvement book on the market There is nothing pretty about this book It s about doing what it takes to get what you want Whether you want to get rich get laid or get even or anything else this book will give you the straightforward insight and knowledge to do it This is not a white lighters book of manifestation but a down and dirty no holds barred grimoire designed to set your brain in a fixed direction toward your goal Sometimes it takes all the subtlety of a sledgehammer of get the point across and that is why The Forbidden Book of Getting What You Want was written Warning The Forbidden Book of Getting What You Want is a trap Once you read it you can t un read it [Perfected Mind Control](#) Dantalion Jones,2006-08 Perfected Mind Control The Unauthorized Black Book of Covert Hypnotic Mind Control This is advanced material that include so called hypnotic processes that are so powerful I ve made the cost of the book prohibitive to only the most serious Just preview the first few pages and you should get the picture Perfected Mind Control is about training people to do things because they are pleasurable This is the exact opposite to what most people think of as mind control In fact the old versions of mind control aren t fun and take too much effort There is an example of an hypnotic orgasm which you ll learn about in Perfected Mind Control [Christie's Rock & Pop Memorabilia](#) Peter Doggett,Sarah Hodgson,2003 Over the last 20 years rock and pop memorabilia has moved out of the junk shops and into the auction houses The most exclusive items associated with legends like the Beatles the Rolling Stones Elvis Presley and Jimi Hendrix have begun to attract the same prices as the paintings of the old masters Christie s Rock Pop Memorabilia offers the first comprehensive survey of this worldwide market Included is everything from autographs letters manuscripts posters artwork and guitars to mass produced artifacts that were aimed at teenage pop fans in the 1950s and 1960s and that today are scarce and valuable collector s items Represented in over 120 fabulous photographs are such collectibles as Eric Clapton s prized Fender Stratocaster Elvis Presley s love letters Elton John s outrageous outfits and
