Darkness Micah J Daniel:

THE DARK SIDE OF LEADERSHIP Dr Tessie Herbst,2014 This book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership Modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment It highlights an area that has not been exclusively studied by leadership researchers to date the influence of spiritual forces in personality disorders which lead to leadership failure and derailment This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions This book provides solid information and new insights for anyone seeking to understand the dark side of leadership The Asylum Shane McMinn,2017-02-27 Earth has been controlled for eons by the dark forces by instilling a project of fear and we have all been deceived on a grand scale They have achieved this by stealth through their secret societies groups governments and institutes to create a New World Order They have controlled populations and culled humans through their man made diseases such as Ebola and HIV AIDS They control humanity with prescription drugs technology food additives vaccines and they suppress the cures for cancer They control the media create wars and initiate acts of terrorism They control politics banking education sciences and religions They are followers of Satanism and some are paedophiles They use mind control programmes and control the illegal drugs trade manipulate the weather and have introduced a police state and have suppressed free energy This is part of the spiritual battle between the dark forces and the forces of light Welcome to the lunatic asylum that is planet Earth Dark Days Hugh Conway,1885 **Understanding the Bible** Stephen L. Harris,2003 This text is the best selling non sectarian guide for students undertaking their first systematic study of the Bible and it is the only single volume text that gives both a comprehensive historical cultural background for the entire biblical era and a rigorous analysis of each individual work of the Old Testament Apocrypha and New Testament The purpose of the text is twofold to acquaint readers with the content and major themes of each biblical book and to familiarize them with important contemporary scholarship A new chapter on historically evolving concepts of God enhances the book s value in studying the history of Judaeo Christian religion Chapter 1 has been extensively rewritten to more effectively introduce students to essential facts about the origins and growth of biblical literature and to the critical techniques scholars use to study it Pertinent new material has been added to every chapter giving more detailed examinations of biblical ideas and themes and the bibliographies have been updated Book Review Index ,2002 Every 3rd issue is a quarterly cumulation

Avery,2024-08-19 There is an erroneous doctrine that is the result of misinterpretation and contextual errors that is gaining momentum in religious organizations The use of a peculiar verbiage that changes the narrative of the word of God is being taught from palatial mega churches to small storefront edifices The teaching of generational curses conveys the false message that born again Spirit led believers in Jesus Christ can be the recipient of generational curses In these volatile uncertain times believers are being sold biblical snake oil as an answer to why they are unable to overcome a multiplicity of failures in their lives Because of the lack of dedicated personal study of the scriptures believers are gravitating to a teaching that has changed the narrative of what Jesus Christ taught in the gospels This book is the journey of an angry rebellious teen who was indoctrinated by his mother into believing he was generationally cursed His life was in the fast lane of a highway heading in the wrong direction toward eternal destruction However Jesus Christ intervened guided him to an exit and led him to the heaven bound highway He transitioned from an incarcerated prisoner of sin to a liberated prosecutor of generational curses In a unique creative exposition Elder Richard Avery examines how from the beginning Satan uses the tactic of changing the narrative of God's word to confuse believers and corrupt their belief in the word of God With the use of contextual accuracy he prosecutes the cursed words from the Bible that are being used to imprison those whom the Son has set free *The Book of the Prophet Isaiah* Thomas Kelly Cheyne,1899 **The Books of Ezra and Nehemiah** ,1901 **Dreams: the Dark Speech of the Spirit** Morton T.
