Behind The Enchanted Door:

Underground Hunter Graves,2025-05-02 A year ago everything changed The world learned that Magicians exist not through peaceful revelation but through destruction The Empire State Building was reduced to rubble by a terrorist attack fueled by Magic and ever since fear has ruled the streets Magicians like me We ve been hunted imprisoned or worse Now I keep my head down hidden in the shadows of a new life with my uncle No heroics no rebellion just survival I don t want to fight for Magician rights I don t want to relive my past And I certainly don t want to rescue the mysterious stranger who reappears from it But fate doesn t care what I want One reckless decision pulls me into a storm of conspiracies betrayals and a terrorist plot that could set the world on fire again Hiding is no longer an option And the deeper I go the more I realize if I don t fight back I may not make it out alive

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
