**Competition Policy International** David Evans,2015-04-02 A SYMPOSIUM ON ANTI TRUST ECONOMICS OF MULTI SIDED PLATFORMS    **Handbook of Game Theory and Industrial Organization, Volume II** Luis C. Corchón,Marco A. Marini,2018-02-23 This second volume of the Handbook includes original contribution by experts in the field It provides up to date surveys of the most relevant applications of game theory to industrial organization The book covers both classical as well as new IO topics such as mergers in markets with homogeneous and differentiated goods leniency and coordinated effects in cartels and mergers static and dynamic contests consumer search and product safety strategic delegation platforms and network effects auctions environmental and resource economics intellectual property healthcare corruption experimental industrial organization and empirical models of R D    **Competition Policy for the New Era** Tembinkosi Bonakele,Eleanor M. Fox,Liberty Mncube,2017 By bringing together analysis from well known scholars from both developed and developing countries the chapters in this book offer a thoughtful precise and relevant analysis of competition policy in BRICS and developing countries    *The EU Leniency Policy* Baskaran Balasingham,2016-04-24 The European Union EU leniency programme is a key weapon in the Commission s fight against hard core cartels Much of the success of EU cartel enforcement depends on the continued effectiveness of the leniency policy and is especially critical in response to the growth of private enforcement This book offers a comprehensive description of the development of the policy along with a normative framework that promises to ensure the full legitimacy of the leniency programme the Commission s policy should pursue not only effectiveness but also fairness It is the first work to extensively analyse the effectiveness and fairness in the EU leniency policy Proceeding systematically from clarifying the concepts of effectiveness and fairness to addressing the tension between leniency and private actions for damages the author discusses the nature of and interrelations among such aspects as the following the theoretical model of the EU fining policy the compatibility of the EU enforcement system with fundamental rights protection the gathering and evaluation of evidence at the preliminary investigation stage the severity and foreseeability of the EU cartel fines judicial review by the EU Courts in competition matters to what extent the current policy is effective and fair and reforms brought about by the 2002 and 2006 Leniency Notices and the leniency related amendments by the 2014 Antitrust Damages Directive A key feature is the author s presentation of a normative framework to test the effectiveness deterrence and substantive fairness retribution of the EU leniency policy As a clear demonstration of how to forestall the danger of focusing on effectiveness of leniency at the expense of fairness both in a substantive and in a procedural sense this book is a major contribution to the literature of competition law It will prove to be of great value to competition authorities antitrust practitioners and interested academics not only in Europe but also throughout the world

Global Governance and China Scott Kennedy,2017-09-18 This volume offers systematic analysis of China s growing engagement in global governance institutions over the past three decades During this period China has gone from outsider to

observer to insider The volume is based on studies of Chinese involvement in a wide cross section of regimes including trade finance intellectual property rights foreign aid and climate change The contributions show that China's participation in global governance reflects the mutually interactive processes of China's own socialization into the global community and the simultaneous adaptation of global institutions and actors to China's growing activism Both China and the international system are internally complex Hence Chinese engagement varies across economic regimes yielding different results in terms of Chinese compliance its influence on regimes and the extent of cooperation and conflict in addressing challenges in international society The chapters reveal that China is neither purely a savior nor scofflaw of the global economic system and while China is a defender of the status quo in some areas it is a reformer in others and occasionally a revisionist in still other spheres A detailed analysis of many areas of global governance this volume will be essential reading for students and scholars of international relations Chinese studies and global governance
