*The Companion Guide to St Petersburg* Kyril FitzLyon, Kyril Zinovieff, Jenny Hughes, 2003

The Companion Guide to St Petersburg was first published in spring 2003 to coincide with the tercentenary of the founding of the city Most visitors to St Petersburg have heard at least four facts about it that it is the Venice of the North that a vast number of workmen perhaps a hundred thousand died in the early years of its construction that it was built on uninhabited marshes and that it was founded on territory which did not and never had belonged to Russia These facts have one feature in common none of them is true Few people can say this with more authority than Kyril Zinovieff who comes from a family associated with the administration of St Petersburg since the eighteenth century He recalls being taken as a child in 1917 to see the damage done to the Winter Palace which he found regrettably unspectacular And more My sister and I may have been two of the last people still alive to have seen Rasputin is the startling beginning of another chapter His knowledge of the history of his city where every stone tells a story is encyclopaedic his respect for the spiritual strength of its inhabitants unbounded he has produced a work of charm humour and erudition with a unique insight into this amazing city

KYRIL ZINOVIEFF as Kyril FitzLyon has made noted translations from the Russian including the Diary of Vaslav Nijinsky this book has been written with JENNY HUGHES formerly of the Economist and the Guardian
