Armed with Sword and Scales Sascha Auerbach,2021-02-04 In the mid eighteenth century author and magistrate Henry Fielding adjudicated cases of theft assault and public disorder from his London home on Bow Street By the middle of the nineteenth century Fielding s modest police office had expanded to become the most prolific court system in Britain and the cornerstone of criminal and civil justice in the metropolis Sascha Auerbach examines the fascinating history of this institution through the lens of courtroom culture the combination of formal statute and informal custom that guided everyday practice in the London Police Courts He offers a new model for understanding the relationship between law culture and society in modern Britain and illuminates how the local courtroom became a crucial part of everyday life and thoroughly entangled with popular representations of justice and morality

**Medieval Islamic Swords and Swordmaking** Brian Gilmour,Robert Hoyland,2012-05-30 One of the problems pervading the study of medieval Islamic technology is the lack of surviving technical treatises Tradition tended to be handed down by example and by word of mouth and apprenticeships could last for decades Fortunately however occasional treatises do exist The treatise e On swords and their kindse was written by the 9th century Muslim philosopher Ya qub ibn Ishaq al Kindi This work was commissioned by a powerful patron of scholarship the Abbasid caliph Mu tasim and the content of the treatise presumably reflects the ruler s general interest in his army and its equipment and his specific interest in the technical aspects of sword production In this work Kindi discusses the difference between iron and steel distinguishes different qualities of sword blade and different centres of swordsmithing He refers to the Indian Ocean trade in steel ingots and to the distinctive character of European swords of the period He includes technical terms used by the makers and distinguishes swords by their physical features form measurements weight watered pattern sculptured details or inlaid ornaments This publication includes the text and a translation of Kindi s treatise and a detailed commentary on the work The volume also includes a translation of Friedrich Schwarzlose s work on swords which is based on
