A TABLETOP RPG OF SORCERY AND ADVENTURE

# Hidden Isle

**Angela Corner**

## **Hidden Isle:**

Hidden Island Secrets Jasper Holt, AI, 2025-04-03 Hidden Island Secrets explores the enigmatic histories of the world's most remote and isolated islands revealing forgotten civilizations and unusual governance structures. These isolated outposts often shrouded in mystery serve as microcosms of human history highlighting patterns of exploration, adaptation, and societal development. The book delves into archaeological discoveries and historical records piecing together fragmented stories of islands whose origins challenge established historical narratives. The book examines islands with unique legal systems and social structures demonstrating the human capacity for resilience and innovation under unconventional circumstances. For instance, it explores self-declared republics and communities with unique interpretations of international law offering insights into alternative forms of governance. Structured in three parts, it begins by introducing key concepts, then examines specific case studies before drawing conclusions about the broader significance of island studies in understanding human history. Through a comparative approach, Hidden Island Secrets juxtaposes islands from different regions and historical periods, identifying common themes and divergent patterns. This interdisciplinary analysis, drawing from history, anthropology, and geography, enriches the understanding of island societies and their interaction with the wider world. The book provides a captivating and evidence-based analysis appealing to those interested in history, travel, and world cultures.

**The Hidden Island** Angela Corner, 2016-11-26 A British detective working in the Greek Islands encounters a murderous pagan cult in this brilliantly plotted and refreshing crime thriller. Betsy Reavley, author of *The Quiet Ones*, after a traumatic case leaves his body broken and his career damaged. Detective Inspector Beckett Kyriakoulis leaves his old life behind to oversee the Criminal Investigation Bureau on the Greek Island of Farou. Working the beat of this hidden paradise will feel like retirement. The weather is beautiful, the beer is cold, and serious crime is exceedingly rare. But the tranquility of Beckett's new life is cut violently short when dead bodies start showing up, murder victims that bare the markings of a pagan cult. With doubts about his mental and physical ability to handle the case, Beckett receives help in the form of a British detective who is everything Beckett is not: young, ambitious, and by the book. As their investigation gets off to a rocky start, Beckett finds himself confronting the demons of his past. With victims and questions mounting, one thing is for certain: sometimes paradise can be hell. *The Hidden Island* is the debut novel of screenwriter Angela Corner, whose credits include the BBC dramas *Eastenders* and *Hollyoaks*.

James and the Hidden Island of Pangenja Jason Lee Purvis, 2015-11-06 Anaptra dreamt. Not the kind of dreams you would expect a fourteen-year-old girl would have, even one that had seen the end of the world. No, Anaptra's dreams were more like visions, almost memories. She saw a small boy surviving alone in the desolate streets of Hong Kong, forced to run with pack dogs, the dominant species in the area. Now all the humans were gone. She saw another boy, around her own age, who lived in an ancient volcano on a hidden island, and whose best friends were creatures she knew only existed in fairytales and fantasy games. These boys were like her special gift. They were the future. She had wandered Africa for the

seven years since the war Her father was the only other human she knew and her best friend was a juvenile cheetah but that was all about to change Today she would meet Ivan the leader of the resistance and the person who would bring her dreams crashing into her reality
