Canaans Gate Bay Tanner Mysteries:

Canaan's Gate Kathryn R. Wall, 2010-03-31 Greed and deception drive the action in this tenth entry in the award-winning series set in South Carolina's sultry Lowcountry. When bank employee Cecelia Dobbs approaches Bay Tanner's inquiry agency, Bay has no idea her association with the awkward young woman will lead to murder. Concerned that one of her colleagues may be running a scam on the elderly and very wealthy Castle mains of Hilton Head Island, Cecelia is seeking proof she can take to the authorities. The other object of her suspicion is the couple's caretaker, flamboyant Kendra Blaine, whose interest in teller Dalton Chambers may be more than just as partners in crime. When Mrs. Castlemain dies suddenly of an apparent heart attack less than twenty-four hours after she accepts the case, Bay is stunned. Still mourning the loss of her father, Bay is also trying to adjust to her recent marriage. Since joining Bay's staff, Red has been chafing under the constraints of working for his wife, and Bay finds herself wondering if something deeper is amiss with their relationship. Then Cecelia disappears, and the Castle mains' grandson, Washington lobbyist Nicholas Potter, tries to hire the agency to investigate Kendra. He too believes she could be dangerous, or so he claims. Torn between her unwilling attraction to the charismatic Nick and her growing fears about Cecelia, Bay discovers that divided loyalties can be painful and sometimes fatal.

Sanctuary Hill Kathryn R. Wall, 2007-05-01 Towering live oaks guard old secrets and powerful forces that even the spirited Bay Tanner can't control. A freak summer storm has Bay Tanner, sometime private investigator, cooped up with her ailing father at his antebellum mansion near Hilton Head. Desperate for a distraction, Bay recovers a cooler bobbing along on the incoming tide. What she discovers inside will plunge her into a world of ancient magic where the power of the root has held sway since the days of the slave row. Suddenly, mysterious people and strange incidents, including a near-fatal accident, force her to realize that she may have unleashed something she can neither understand nor escape. Meanwhile, her investigation into the simple case of a runaway wife turns deadly. The police are eager to nail the wealthy prominent husband for murder, but Bay's instincts tell her there's more to the story. Sheriff's Sergeant Red Tanner, her late husband's brother, warns her off the case, but Bay's never been good at taking orders. Soon she's working full time to defend her client, who may not be as innocent as Bay would like to believe. Time and again every trail leads back to a mystical commune in the tangled backwoods of Beaufort County and to one of its leaders, a charismatic woman who believes in the real and malevolent power of the old ways. To find a killer, Bay must travel to the heart of this woman's world, and not everyone will escape the spell of Sanctuary Hill.

Covenant Hall Kathryn R. Wall, 2009-04-28 Private Investigator Bay Tanner is hired by a young mother desperate to locate her estranged family. Joline Eastman's daughter is dying of leukemia, and all other sources for a bone marrow transplant have been exhausted. A yellowing photograph and a handful of wartime letters are the only clues she has to offer. But it's what she's not willing to share that may hold the ultimate solution to saving her daughter's life. Meanwhile, Bay has her own family to worry about. A phone call from Lavinia Smalls, her aging father's companion and caretaker, sends her

rushing to the hospital A few whispered words uttered in a moment of semi conscious confusion shatter her world and launch Bay on a quest that will redefine everything she thought she knew about herself Battling time Bay and her late husband s brother sheriff s sergeant Red Tanner search desperately for Joline s missing family only to discover that an old murder and a haunted woman from Bay s past may hold the key to everything *Resurrection Road* Kathryn R. Wall,2007-04-01 In the South the past can never be forgotten or forgiven When Alain Darnay suddenly reappears on Hilton Head Bay Tanner believes she and her former lover can finally settle into something resembling a normal life But her tenuous peace is shattered by an innocent looking boy with cold blue eyes who will force her to relive the nightmare of her husband s murder to face that terrifying summer of treachery deceit and death Cart Anderson a recently orphaned teenager burning with resentment wants to know how and why his father Geoffrey died and he s convinced Bay has the answers But shortly after a confrontation with her in the parking lot of a glitzy resort hotel the boy disappears His empty car is found splattered with blood at an abandoned fort on nearby St Helena Island and suddenly Bay and her lover find themselves the chief suspects When retired New York homicide detective Ben Wyler enters the case the web of circumstantial evidence against them begins to pile up But what does the ancient black woman whose ramshackle cottage sits next to the old fort know about the boy s disappearance And why is the entire county so willing to believe Bay is guilty Enlisting the aid of her former partner Erik Whiteside and an ambitious local reporter Bay begins to unravel a plot so intricate so devious it could shatter not only her own life but those of everyone she holds dear From the gated enclaves of the Southern aristocracy to the dusty echoing passageways of an abandoned fort from the secret vaults of an offshore bank to the twisted mind of a vengeful child *Resurrection Road* speeds to a deadly confrontation that will alter Bay Tanner s world forever *The Mercy Oak* Kathryn R. Wall,2008-04-29 In the South family is the one thing worth dying or killing for Things are heating up between young widow Bay Tanner sometime private investigator and Red local sheriff s sergeant and her late husband s brother But a new case that strikes too close to home endangers more than just her love life An unexpected call from her housekeeper s son hints that a recent hit and run may have been more than an accident Roberto fears the victim a local crusader for the rights of illegal immigrants may have been silenced But almost immediately it becomes clear that the dead girl was not the intended victim and before Bay has a chance to launch an investigation Roberto himself disappears Meanwhile Red and the rest of the sheriff s deputies are working overtime to solve a string of holdups terrorizing local businesses and banks When Lavinia Smalls longtime companion to Bay s crippled father is caught up in one of these robberies Bay finds herself enmeshed in yet another mystery What does Lavinia know about this gang of thieves and why is she so reluctant to share her secret What clues does her friend the ancient black man with the intricately carved walking stick carry in his muddled memory Then the strange phone calls begin and Bay realizes someone desperately wants her off the case but which one Determined to protect those she regards as family Bay struggles against the fear that she may be endangering the very people she s come to love in
