that would later influence modern literary criticism bridging the romantic and gothic traditions of his era with emerging American literary identities Poe often regarded as the father of the modern short story and a pioneer of detective fiction drew from his tumultuous personal life and sharp intellect to create a body of work that interrogates the very nature of art and authorship His experiences with tragedy loss and mental anguish imbue his essays with a profound psychological insight allowing readers to glimpse the mind of a writer grappling with the burdens of creativity and societal expectations This compelling collection is a must read for scholars aspiring writers and literature enthusiasts alike It offers invaluable insights into Poe s literary philosophy and serves as a testament to his enduring influence on American literature By delving into this volume readers will not only appreciate the nuances of Poe s thought but also gain a deeper understanding of the literary culture of the 19th century

Critical Alliances S. Brooke Cameron,2020-01-29 *Critical Alliances* argues that late Victorian and modernist feminist authors saw in literary representations of female collaboration an opportunity to produce new gender and economic roles for women It is not often that one thinks of female allegiances such as kinship networks cultural inheritance or lesbian marriage as influencing the marketplace nor does one often think of economic models when theorizing feminist cooperation S Brooke Cameron suggest that through their representations of female partnership feminist authors such as Virginia Woolf Olive Schreiner George Egerton Amy Levy and Michael Field redefined the gendered marketplace and with it women s professional opportunities Interdisciplinary at its core and using a contextual approach *Critical Alliances* selects cultural texts and theories relevant to each writer s particular intervention in the marketplace Chapters look at how different forms of feminist collaboration enabled women to stake their claim to one of the many emergent professions at the turn of the century
