## **Frostbitten Otherworld:**

*Frostbitten* Kelley Armstrong, 2009-09-29 For Elena Michaels being the world's only female werewolf has its advantages such as having her pick of the Otherworld's most desirable males. And she couldn't have picked a more dangerously sexy and undyingly loyal mate than Clayton Danvers. But now their bond will be put to the ultimate test. A werewolf more wolf than human and more unnatural than supernatural, a creature whose origins spring from ancient legend is hunting human prey, and Elena and Clayton must track the predator deep into Alaska's frozen wilderness. But the personal stakes are even higher. Either Clayton or Elena has been chosen to become the new Pack leader, and every wolf knows that there can be only one Alpha. The couple have always been equals in everything. Now when their survival depends more than ever on perfect teamwork, will instinct allow one of them to lead and the other to follow.

**Frostbitten** Kelley Armstrong, 2009-10-08 Highly recommended. Armstrong remains at the top of her game with nonstop action and interesting new characters. Library Journal. Wonderful, difficult to put down and harder to forget. Night Owl Romance. Armstrong writes page-turning prose. Booklist. After years of struggle, Elena Michaels, journalist-investigator werewolf, has finally come to terms with her strange fate and learned how to control her wild side. At least that's what she believes when she sets off to Alaska with her partner Clay. A series of gruesome maulings and murders outside Anchorage seem to implicate a rogue band of werewolves. But the truth is more complicated. Trapped in a frozen, unforgiving terrain, they are forced to confront a deadly secret and their own untamed nature. Gripping, intense, and deeply satisfying. *Frostbitten* is a brilliant novel of suspense with a supernatural twist. **Betrayals** Kelley Armstrong, 2017-06-06 The exciting fourth novel in bestselling author Kelley Armstrong's impossible to put down Cainsville series. When Olivia's life exploded after she found out she was not the adopted child of a privileged Chicago family but of a notorious pair of convicted serial killers, she found a refuge in the secluded but oddly welcoming town of Cainsville, Illinois. Working with Gabriel Walsh, a fiendishly successful criminal lawyer with links to the town, she discovered the truth about her parents' crimes in an investigation that also revealed the darker forces at work in the place that had offered her a haven. As if that wasn't enough, she also found out that she, Gabriel, and her biker boyfriend Ricky were not caught in an ordinary sort of love triangle but were hereditary actors in an ancient drama in which the elders of Cainsville and the mysterious Huntsmen who opposed them had a huge stake. Now someone is killing street kids in the city, and the police have tied Ricky to the crimes. Setting out

with Gabriel's help to clear Ricky's name Olivia once again finds her own life at risk Soon the three are tangled in a web of betrayals that threatens their uneasy equilibrium and is pushing them toward a hard choice either they fulfill their destinies by trusting each other and staying true to their real bonds or they succumb to the extraordinary forces trying to win an eternal war by tearing them apart

Deceptions Kelley Armstrong, 2015-08-18 The 1 New York Times bestselling author of the Otherworld series and Hemlock Island delivers her most suspenseful novel yet where the discovery of Cainsville's dark past and the true nature of its inhabitants leads to murder redemption love and unspeakable loss Olivia Taylor Jones's life has exploded She's discovered she is not only adopted but her real parents are convicted serial killers Fleeing the media frenzy she took refuge in the oddly secluded town of Cainsville She has since solved the town's mysteries and finds herself not only the target of its secretive elders but also her stalker ex fianc Visions continue to haunt her particularly a little blond girl in a green sundress who insists she has an important message for Olivia one that may help her balance the light and darkness within herself Death stalks both Olivia and the two men most important to her as she desperately searches to understand whether ancient scripts are dictating the triangle that connects them Will darkness prevail or does Olivia have the power to prevent a tragic fate
