**Rooftops of Tehran** Mahbod Seraji, 2009-05-05 From a striking new talent Sandra Dallas author of Tallgrass comes an unforgettable debut novel of young love and coming of age in an Iran headed toward revolution In this poignant eye opening and emotionally vivid novel Mahbod Seraji lays bare the beauty and brutality of the centuries old Persian culture while reaffirming the human experiences we all share In a middle class neighborhood of Iran's sprawling capital city 17 year old Pasha Shahed spends the summer of 1973 on his rooftop with his best friend Ahmed joking around one minute and asking burning questions about life the next He also hides a secret love for his beautiful neighbor Zari who has been betrothed since birth to another man But the bliss of Pasha and Zari's stolen time together is shattered when Pasha unwittingly acts as a beacon for the Shah's secret police The violent consequences awaken him to the reality of living under a powerful despot and lead Zari to make a shocking choice *A Persian Requiem* Simin Daneshvar, 2012-06-04 Tribal leaders in opposition to the government the corruption of occupation society torn apart by shifting political loyalties this is the

background to one woman's powerful story. *A Persian Requiem* is a powerful and evocative novel set in the southern Persian town of Shiraz in the last years of World War II when the British army occupied the south of Persia. The novel chronicles the life of Zari, a traditional, anxious, and superstitious woman whose husband, Sef, is an idealistic feudal landlord. The occupying army upsets the balance of traditional life and throws the local people into conflict. Sef is anxious to protect those who depend upon him and will stop at nothing to do so. His brother, on the other hand, thinks nothing of exploiting his kinsmen to further his own political ambitions. Thus, a web of political intrigue and hostilities is created which slowly destroys families. In the background, tribal leaders are in open rebellion against the government, and a picture of a society torn apart by unrest emerges. In the midst of this turbulence, normal life carries on in the beautiful courtyard of Zari's house in the rituals she imposes upon herself and in her attempt to keep the family safe from external events. But the corruption engendered by occupation is pervasive; some try to profit as much as possible from it, others look towards communism for hope, whilst yet others resort to opium. Finally, even Zari's attempts to maintain normal family life are shattered as disaster strikes. An immensely moving story, *A Persian Requiem* is also a powerful indictment of the corrupting effects of colonization. *A Persian Requiem* first published in 1969 in Iran under the title *Savushun* was the first novel written by an Iranian woman and sixteen reprints and half a million copies later, it remains the most widely read Persian novel. In Iran, it has helped shape the ideas and attitudes of a generation in its revelation of the factors that contributed to the Islamic Revolution in 1979. Simin Daneshvar's *A Persian Requiem* goes a long way towards deepening our understanding of Islam and the events leading up to the 1979 Revolution. The central characters adroitly reflect different Persian attitudes of the time, attitudes that were eventually to harden into support for either the Ayatollah and his Islamic fundamentalism or alternatively for the corrupting Westernisation of the Shah. The value of the book lies in its ability to present these emergent struggles in human terms in the day-to-day realities of small town life. Complex and delicately crafted, this subtle and ironic book unites reader and writer in the knowledge that human weakness, fanaticism, love, and terror are not confined to any one creed. *The Financial Times*: *A Persian Requiem* is not just a great Iranian novel but a world classic. *The Independent on Sunday*: it would be no exaggeration to say that all of Iranian life is there. *Spare Rib*: For an English reader, there is almost an embarrassment of new settings, themes, and ideas. Under the guise of something resembling a family saga, although the period covered is only a few months, *A Persian Requiem* teaches many lessons about a society little understood in the West. *Rachel Billington, The Tablet*: This very human novel avoids ideological cant while revealing complex political insights, particularly in light of the 1979 Iranian revolution. *Publishers Weekly*: *A Persian Requiem*, originally published in Iran in 1969, was a first novel by Iran's first woman novelist. It has seen sixteen reprints, sold over half a million copies, and achieved the status of a classic, literally shaping the ideas of a generation. Yet when asked about the specific appeal of the novel, most readers are at a loss to pinpoint a single or even prominent aspect to account for this phenomenal success. Is it the uniquely feminine perspective, allowing the read

**Dear Zari** Zarghuna Kargar, 2012-06-01 A powerful collection of testimonies that depict the struggles and hopes of Afghan women An often emotional and at times painful read this book is ultimately a poignant celebration of human resilience under unimaginable duress KHALED HOSSEINI New York Times bestselling author of The Kite Runner I am deeply touched by these stories Dear Zari should be read by anyone who cares and wants to know about Asia and Asian women XINRAN All the stories in Dear Zari illustrate the suffering caused by deeply ingrained Afghan traditions But the women's bravery and resilience shines through and Kargar touchingly reveals how hearing others' life stories finally gave her the courage to share her own The Independent Moving enlightening and heartbreaking Dear Zari gives voice to the secret lives of Afghan women For the first time Dear Zari allows these women to tell their stories in their own words from the child bride given as payment to end of a family feud to a life spent in a dark dusty room weaving carpets from a young girl being brought up as a boy to a woman living as a widow shunned by society Intimate emotional painful and uplifting these stories uncover the suffering and strength of women in this deeply religious and intensely traditional society and show how their courage is an inspiration to women everywhere

**Savushun** Sīmīn Dānishvar, 1990 A very engaging saga Washington Post Book World A powerfully resonant work Publishers Weekly Outstanding foreign fiction USA Today Savushun pronounced sa voo shoon is a folk tradition surviving in Southern Iran from an undateable pre-Islamic past that conjures hope in spite of everything The novel chronicles the life of a Persian family during the World War II Allied occupation of Iran It is set in Shiraz a town which evokes images of Persepolis and pre-Islamic monuments the great Persian poets the shrines Sufis and nomadic tribes all within a historical web of the interests privilege and influence of foreign powers corruption incompetence and arrogance of persons in authority The story is seen through the eyes of Zari a young wife and mother who copes with her idealistic husband while struggling with her desire for traditional family life and her need for an individual identity Sīmīn Dānishvar lives and continues to write in Iran

**The Zarathushtrian Saga** Tina Mehta, 1995 **A Persian Requiem** Sīmīn Dānishvar, 2002 Set in the southern Persian town of Shiraz in the last years of World War II with the British army in occupation the novel

chronicles the life of Zari a traditional anxious and superstitious woman whose husband Yusef is an idealistic feudal landlord. A web of political intrigue and hostility is created in the background tribal leaders are in open rebellion against the government and British occupation. In the midst of this turbulence Zari carries on normal life within the beautiful courtyard of her house attempting to keep the family safe from external events. **Afrique** Ubu Repertory Theater, 1987    New Books on Women and Feminism, 2015    **Indian Silk**, 1994    **Baby: the mother's magazine (ed. by A.S. Ballin)**. Ada S. Ballin, 1890    **Breaking Links** Razia Fasih Ahmad, 2006

This is a historical and literary novel that revolves around characters originating in West and East Pakistan who love each other and marry but their marriage is deeply affected by the violence that overtakes the country and the ultimate dismemberment of Pakistan. This coming apart is the centre of this novel. The author has built her story around the looming crisis and the final hour of disintegration and dissolution. A compelling tale of love gone awry through a grievous sense of honor reaching out across generations this is a novel dealing with History with a capital H. A basic contextualization of this book within this history may be useful for its non-Pakistani readers but even within the country younger readers especially need to be reminded of what ensued since Pakistan has not effectively addressed nor come to terms with the forces and factors which created an irreconcilable chasm and subsequently the cataclysmic events terminating in the country's break up as well as the emergence of Bangladesh as a sovereign state. Such an assessment is still conspicuous by its absence in the country's curriculum and some textbooks that ascribe to the ever popular and ubiquitous conspiracy theory.
