Lang, 2019-02-19 As we make our way into the twenty first century many Christians are looking for an expression of discipleship that speaks meaningfully to our time a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community The Pilgrim s Compass shepherds readers through a metaphorical pilgrimage to consider one s life a journey for faith formation Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness disciples will encounter God wrestle with God be wounded as will God and be reborn as a new person with a new name The Pilgrim s Compass encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey of faith which uses prayerful travel to assist an inner transformation **Light of Setting Suns** Richard L.
