Zoey's Journey Back Home! Maritza Signorella,2025-01-27 This story is about my doggy Zoey She loves to run out of my front door and takes off like a jet airplane We chase her and she keeps running I think that she loves adventure It made me think If she really had an adventure what would it be like My story takes her on her happy adventure She travels and meets people who feed her and animals who become her friends She explores places that she has never seen before She experiences what it s like to miss her owners and wants to come home Zoey is a very curious doggy I think that her adventure will never end She is a very happy doggy We adore her and she adores us I found myself imaging this cute little story It made me smile thinking Zoey would definitely do this Please enjoy her little adventure

The Journey Back to Me Leondra Harris,2020-03-26 The journey back to me started with my mind body and spirit and oh did it feel so good My mind would linger in the past at times but I know that when my God takes something away he will always have something better for me My mind has been placed at ease I am able to sleep the nights through now I can breathe again This is the peace of God that surpasses all understanding This is the peace of me loving me on a different level This is where I close my eyes and say hmm for God s goodness grace and

mercy Now when I walk into my apartment there is a warmth of love It was me that I have been missing The greatest love was inside of me all along Greater is he that is in me than he that is in the world I was the one that made my house a home

Discourse and the Other W. Lawrence Hogue, 1986-11-25 The central thesis of Lawrence Hogue's book is that criticism of Afro American literature has left out of account the way in which ideological pressures dictate the canon This fresh approach to the study of the social ideological and political dynamics of the Afro American literary text in the twentieth century based on the Foucauldian concept of literature as social institution examines the universalization that power effects how literary texts are appropriated to meet ideological concerns and needs and the continued oppression of dissenting voices Hogue presents an illuminating discussion of the publication and review history of major and neglected texts He illustrates the acceptance of texts as exotica as sociological documents or as carriers of sufficient literary conventions to receive approbation Although the sixties movement allowed the text to move to the periphery of the dominant ideology providing some new myths about the Afro American historical past this marginal position was subsequently sabotaged co-opted or appropriated Afros became a fad presidents gave the soul handshake the hip talking black was dressing one style and talking another This study includes extended discussion of four works Ernest J Gaines's *The Autobiography of Miss Jane Pittman* Alice Walker's *The Third Life of Grange Copeland* Albert Murray's *Train Whistle Guitar* and Toni Morrison's *Sula* Hogue assesses the informing worldviews of each and the extent and nature of their acceptance by the dominant American cultural apparatus
