## Deacon Board Manual:

The Deacon's Handbook Leonard Gillams, 2023-08-21 The Deacon's Handbook is more than just a resource for those serving as deacons and those who aspire to be one. The fact is that you don't have to be a deacon to apply principles that God would smile upon. The wisdom in this handbook transcends sex, age, and educational background. In other words, it may be geared for deacons, but it can benefit anyone. Leonard Gillams, a longtime ordained deacon, observes that while no one is perfect, how we behave informs ourselves, others, and God Himself on how we are measuring up to His Holy standards. He considers questions such as: How did the deacon's ministry develop? How can a deacon effectively interact with a congregation? How can a deacon build a strong spiritual foundation from which to serve the church? The author emphasizes that just as God holds deacons responsible for the churches they serve, He also expects them to take care of their families. Get guidance to succeed at church and at home with wisdom steeped in Scripture and firsthand experience. The Office of Deacon Church of the Brethren. General Brotherhood Board. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life. Most Baptist individuals and churches have strongly opposed women deacons. Some Baptist associations have even disfellowshipped churches that have approved women deacons. And women in general have been suppressed by many recent actions of the Southern Baptist Convention, thereby affecting women deacons. However, thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions. The book presents arguments on both sides of the topic but lands squarely in support of women deacons. **Seventh-day Adventist Church Manual.** General Conference of Seventh-Day Adventists, 2005 **A Masonic Manual Comprising Decisions of the M.S.
