ingesting a particular plant over a period of time so you regularly receive the plant's vibratory energy as well as its medicinal actions. Adding a ceremonial element to plant dieting offers a sacred initiation by the plant world, allowing you to connect deeply with all aspects of a plant, receive its sacred teachings, and forge a relationship for guidance and healing benefitting both yourself and others. Each of the eight ceremonial plant initiations detailed in the book was personally developed by the author through extensive work with her ceremonial groups. They each center on an easily recognized plant or tree such as primrose, dandelion, oak, and dog rose. These common plants have powerful teachings and healing guidance to share with those who communicate with and honor them. The initiations for both individuals and groups work with the Wheel of the Year, honoring each plant's sacred timing and connecting with one of the eight Celtic and Pre-Celtic Fire Festivals, the solstices, equinoxes, and the holy days of Beltane, Lughnasadh, Samhain, and Imbolc. Offering practical instructions so you can develop your own sacred plant initiations, the author also includes access to 4 audio journeys to facilitate the initiations in the book. She also explains how to make plant elixirs for use in plant diets and for healing. She shows how connecting with plants allows us to deepen our relationship with Nature, access higher levels of consciousness and spiritual realms, and facilitate the full flowering of human potential.

The human body needs vitamins and minerals to be at its optimal health, and gemstones make up the mineral kingdom. These suggested recipes are tools for your body to use to strengthen and help heal itself. This book contains a few grid layouts, what combinations of stones can do metaphysically, mentally, emotionally, spiritually, and physically, as well as which stones to combine for use for specific conditions, how to make an elixir or tincture, how to create a mandala, altar, or medicine wheel of gemstones, plus 100 different gemstone elixir recipes. Working With The Mineral Kingdom also contains information about different ways to use gemstones and elixirs. Over 20 years of use, research, and working with gemstones have led to these helpful recipes. Each condition lists multiple gemstones and how the gemstone works on that condition, whether it is physical, emotional, intellectual, energetic, or spiritual. Conditions include job, financial, and relationship stress, depression, cold/flu/virus, immune boosters, addiction, weight issues, heart, kidney, lungs, skeletal, PMS, infertility, libido, chronic diseases, and more. There are also recipes for heart break, attracting love, chakra balancing, healthy hair, and plant spray. Many of these recipes are based on what has worked for the author, as well as people who seek her advice on what stones are the best tools for their needs.
