The Fall Michael Wolff,2023-11 Meet the Murdochs and the disastrously dysfunctional family of Fox News Until recently they formed the most powerful media and political force in the land for better or worse Now their empire is cracking up and crashing down For almost three decades Fox News has not only made political careers see President Donald J Trump but also fundamentally altered the political landscape of the United States It is a truism as Fox goes so goes the nation into further divisiveness and awash in fake news a gleefully polarizing company But just as Fox has pushed America apart now it too is coming apart As is the family dynasty behind it In his irresistible trilogy on the chaotic presidency of Donald Trump *Fire and Fury* *Siege* and *Landslide* the gadfly journalist Michael Wolff led readers deep into the twisted corridors of the White House Now drawing on years of unprecedented access to the Murdoch family and key players in the world of Fox he plunges us behind the scenes of another empire of influence and the result is astonishing and unforgettable Here is Rupert Murdoch the ninety two year old Australian billionaire a fading titan concerned about his legacy but more concerned about profits Here are his contentious progeny jockeying to take over when the old man is gone Here is star anchor Tucker Carlson hiding out in his island homes considering a run for the presidency while his bosses have other plans for him Sean Hannity the richest man in television has his own plans to put the former POTUS back in office against the bosses wishes Meanwhile Laura Ingraham is just trying to survive in the last man s man s world Empires fall Kingdoms come to an end As lawsuits pummel the financial bedrock and reputation of the network anchors scramble and the battling Murdoch heirs make the Roys of TV s Succession seem downright Brady Bunch Michael Wolff documents in riveting and revelatory real time the final days of Fox News
